

High School Voter Education Weeks

APRIL 2024

The weeks of April 15 and April 22 are High School Voter Education Weeks! The San Bernardino County Registrar of Voters is dedicated to educating our county's students on the importance of the voting process and how to be civically engaged. This begins with registering to vote for 18-year-old students or pre-registering to vote for 16- and 17-year-old students.

During these two weeks, High School Voter Education Weeks is a great time to pre-register to vote and learn the 4 Ways to Vote in San Bernardino County to participate in future elections!

The purpose of this toolkit is to educate high schoolers on their voting options and opportunities. Please find resources available to you on the next page.

**Your Ballot.
Vote Early.
All Ways Secure.**
