**ORDINANCE NO. 647**

**AN ORDINANCE OF THE PEOPLE OF THE CITY OF ADELANTO AS APPROVED BY THE CITY’S QUALIFIED ELECTORS AT THE ELECTION HELD ON MARCH 5, 2024, TO ESTABLISH A SPECIAL PARCEL TAX ON VACANT PROPERTIES**

**WHEREAS**, the City of Adelanto (“City”) has been suffering from a lack of economic development since its incorporation on December 22, 1970; and

**WHEREAS**, since May 28, 1985, the State of California Department of Transportation has enforced a Controlled Access Highway Agreement along State Highway Route 395 in the City, which has severely restricted economic development within the corridor; and

**WHEREAS**, roughly 74 percent of the City’s land area is vacant, undeveloped, and unoccupied by any legal use; and

**WHEREAS**, properties that are vacant or undeveloped deprive the community of the economic opportunity and housing that could be provided if those properties were put into use; and

**WHEREAS**, properties that are vacant also deprive the City of the revenue needed to provide public services by reducing the tax revenue that is generated when properties provide space for active uses or are developed for housing or businesses; and

**WHEREAS**, members of the community have placed a clear priority on the need for parks and recreation programs; blight and illegal dumping remediation; public safety services, including police, firefighters, and paramedics; and capital projects to improve City infrastructure, including the construction and maintenance of roads, construction and maintenance of sidewalks, and storm water runoff and drainage; and

**WHEREAS**, the lack of economic development within the City has led to an insufficient revenue base that cannot fund the services that the members of the community have requested; and

**WHEREAS**, despite significant cost saving measures the City Council has employed in recent years to address the ongoing budget crisis, including the consolidation of job duties, significant reductions in staffing levels, and the sales of assets and deferment of equipment purchases, current revenue forecasts indicate that the City’s General Fund will struggle to maintain basic service levels in future fiscal years; and

**WHEREAS**, in order to address these issues as soon as possible, the City Council desires to submit to the qualified electors of the City a proposed ordinance to adopt a special tax on vacant properties to support services important to members of the community; and

**WHEREAS**, such a special tax will also discourage property owners from keeping properties vacant; and

**WHEREAS**, the proposed tax will have a hardship exemption process so that people with financial difficulty or other valid reason the property had to be vacant can have the tax waived, and non-profits are exempt; and

**WHEREAS**, a citizen oversight committee will be established to provide transparency regarding the special tax by recommending the allocation of the proposed tax revenue to the City Council and monitoring the use of the proceeds of the proposed tax to ensure it is meeting the needs of the community; and

**WHEREAS**, a non-ad valorem tax on parcels of real property may be approved by the voters as a special tax under California Constitution, Article XIII A, Section 4 and California Constitution, Article XIII D, Section 3(a)(2); and

**WHEREAS**, Government Code section 37100.5 provides in relevant part: “Except as provided in section 7282 of the Revenue and Taxation Code, the legislative body of any city may levy any tax which may be levied by any charter city, subject to the voters’ approval pursuant to Article XIII A of the Constitution of California”; and

**WHEREAS**, Government Code section 50075 further provides: “It is the intent of the Legislature to provide all cities, counties, and districts with the authority to impose special taxes pursuant to the provisions of Article XIII A of the California Constitution”; and

**WHEREAS**, at its Meeting of November 8, 2023, the City Council of the City of Adelanto (“City Council”) approved Resolution No. 23-81, which (i) called for and gave notice of the placement of a parcel tax measure as set forth in this Ordinance onto the March 5, 2024, ballot by approval of Resolution No. 23-81; (ii) requested consolidation of such election with the County of San Bernardino; and (iii) requested that the County of San Bernardino provide specific election administration services; and

**WHEREAS**, the ballot measure question seeking approval of this Ordinance appeared as follows:

<b>Adelanto Vacant Property Tax</b> <i>Shall the City of Adelanto’s measure to fund public safety, parks/recreation programs, capital improvements such as roadway projects, and illegal dumping enforcement, approving a vacant parcel tax that only applies to vacant land and does not apply to occupied residential properties or operating business properties, at rates based on zoning ranging from \$50.00 to \$600.00/acre annually for 20 years raising about \$6,200,000/year that includes citizen oversight, be adopted?</i>	<input type="checkbox"/> Yes
	<input type="checkbox"/> No

**WHEREAS**, the calling of an election contest for Adelanto voters to consider the parcel tax measure was made in a manner consistent with Government Code sections 53971.5 and 53978 and Government Code section 50077, which provides in relevant part: “Except as provided in section 7282 of the Revenue and Taxation Code, the legislative body of any city ... may, following notice and public hearing, propose by ordinance or resolution the adoption of a special tax”; and

**WHEREAS**, the City Council approved this Ordinance for first reading at a public hearing conducted as part of its Regular Meeting of November 8, 2023, provided that the Ordinance may not take effect unless approved by Adelanto voters at the Election of March 5, 2024; and

**WHEREAS**, this Ordinance, by its terms, may only take effect if the ballot measure requesting its approval is approved by a two-thirds (2/3) majority of Adelanto voters at the Election of March 5, 2024; and

**WHEREAS**, at the Election of Tuesday, March 5, 2024, Adelanto voters approved the measure requesting approval of this Ordinance by a margin of \_\_\_\_\_% voting in favor (“Yes”) and \_\_\_\_\_% voting in opposition (“No”); and

**WHEREAS**, the election results were certified at the City Council’s meeting of \_\_\_\_\_, 2024, by way of Resolution No. \_\_\_\_-\_\_.

**THE PEOPLE OF THE CITY OF ADELANTO, CALIFORNIA DO HEREBY ORDAIN AS FOLLOWS:**

**SECTION 1.     Title.**

This Ordinance may be referred to as the “Adelanto Vacant Property Tax.”

**SECTION 2.     Purpose.**

The taxes imposed under this Ordinance are solely for the purpose of raising revenue necessary to support and fund services for parks and recreation, illegal dumping remediation, public safety, capital improvement projects, and the related programs, described below. Because the proceeds of the parcel tax will be deposited into a special fund restricted for the services and programs specified in this Ordinance, the tax is a special tax.

A condominium, duplex, or townhouse unit under separate ownership is treated as a separate parcel for the purposes of this Chapter, and if it is vacant, is subject to the tax regardless of the status of any other unit on the same lot or that is part of the same development.
  - 4. A parcel of land where ground floor commercial activities are allowed by the applicable zoning (with or without a use permit), or are a legal nonconforming use, and all of the ground floor space that could be lawfully occupied by commercial activities is in Active use less than fifty 50 days in a calendar year.

- B. The tax constitutes a debt owed by the Owner of each parcel to the City.

- C. Unless the City Council selects another method for collection of the tax, the County shall levy and collect the tax on each parcel of real property in the City for which the Owner receives a separate ad valorem property tax bill, at the same time and manner, and subject to the same penalties and procedures as ad valorem property taxes collected by the County except as otherwise set forth in this Ordinance.
- D. If the City Council selects collection of the tax by the County, the tax shall be imposed on the ad valorem property tax bill for the fiscal year that begins July 1 following the end of the calendar year in which the parcel was vacant. The special tax shall first be imposed and collected no sooner than the ad valorem property tax bill for fiscal year 2024-2025 for parcels that were vacant in the 2023 calendar year.
- E. Tax Rates.
1. The maximum tax rates for each property type shall be as set forth in the table below. The City shall be responsible for assigning a tax rate for each parcel.

1. The City Council, in its sole discretion, may, by resolution, temporarily decrease the annual tax rate imposed less than the maximum amount authorized in Section 3.70.030, subsection E. Following any such temporary decrease in the annual tax rate, the City Council may, by resolution, restore the annual tax rate back up to the maximum rate authorized in Section 3.70.030, subsection E, or to any other amount less than the maximum rate authorized in Section 3.70.030, subsection E, without obtaining voter approval.

2. The City Council may, in its discretion, adopt and/or repeal additional categories of exemption, provided that such exemptions are approved or repealed by Ordinance. The foregoing notwithstanding, in no event may the City Council repeal exemptions expressly approved by the voters as part of this Ordinance.

H. Automatic Cost of Living Adjustments to Tax Rates.

The maximum special tax rates specified in subsection E shall be automatically adjusted by an increment not to exceed the annual percentage change in the March Consumer Price Index (CPI). Regardless of whether the special tax rate has been reduced to an amount below the maximum special tax rate allowed in Section 3.70.030, subsection E, the maximum tax rate applicable for the following year shall be the maximum special tax rate that could have otherwise been levied, not to exceed CPI. Even if the City Council elects to impose a lesser special tax in any fiscal year, in any later fiscal year the City Council may still elect to impose up to the full authorized maximum special tax rate.

I. For properties wholly within San Bernardino County and divided by Tax Rate Area lines into multiple parcels, the property shall be taxed as a single parcel at the rates set forth above.

J. Imposition of Tax by Zones.

The City Council may, by ordinance, establish zones or areas within the City and may restrict the levy of the tax to properties within the zones or areas established.

K. Exemptions.

1. For purposes of the exemptions set forth in this section, the term "Owner" shall be defined as a natural person. "Owner" shall not include a business entity, such as a limited liability company, corporation, partnership, or

other business entity, trust, or any other private organization which may be considered a “person” by operation of law.

- i. An Owner that is a non-profit organization or entity owned or controlled by a non-profit organization.
3. The City Council, in its discretion, shall be authorized to establish procedures, criteria and guidelines for Owners to apply for and be granted relief under the exemptions referenced above, provided such procedures, criteria and/or guidelines are not expressly in conflict with the voter-approved provisions of this Ordinance. Such procedures, criteria and guidelines may be established by ordinance or resolution of the City Council. The City Council, in its discretion, also reserves the right to establish such other exemptions to the tax imposed by this Ordinance, and authorize the methods of collection of the said, as it determines to be appropriate.
4. Subject to City Council oversight and direction, the City Manager's designee, (which if not otherwise designated shall be the Finance Director), shall administer and enforce all such procedures, criteria and guidelines as may be established by the City Council. Owners who claim an exemption may, among other procedures, criteria and guidelines, be required to submit information annually to substantiate their continuing qualification for the exemption.

### **3.70.070 - Accountability**

The Finance Director's reports on the uses of the Vacant Property Tax Fund shall include the percentage that was spent on blight elimination and illegal dumping remediation and shall also evaluate whether the City has satisfied the requirement to maintain the set level of unrestricted General Fund expenditures. If the Finance Director finds that in any fiscal year the amount of unrestricted General Fund expenditures on blight elimination and illegal dumping remediation is less than the total amount expended in fiscal year 2023-2024, the City of Adelanto shall increase unrestricted General Fund expenditures for those uses within the following two fiscal years so that total unrestricted General Fund expenditures on those uses over three fiscal years is equal to three times the fiscal year 2023-2024 expenditures.

### **3.70.080 – Increase Appropriations Limit.**

Pursuant to California Constitution Article XIII B, the appropriation limit for the City of Adelanto is hereby increased by \$6,200,000 for each of the four fiscal years from 2024-25 through 2027-28.

If any section, subsection, part, clause, sentence or phrase of this Ordinance or the application thereof is for any reason held to be invalid or unconstitutional by the decision of any court of competent jurisdiction, the validity of the remaining portions of this Ordinance, the application thereof and the tax imposed shall not be affected thereby, but shall remain in full force and effect, it being the intent of the People to adopt each and every section, subsection, part, clause, or phrase regardless of whether any other section, subsection, part, clause, or phrase or the application thereof is held to be invalid or unconstitutional.

**SECTION 5. California Environmental Quality Act Requirements.**

The City Council hereby determines that this Ordinance is not in-and-of-itself a “project” pursuant to the California Environmental Quality Act, Public Resources Code section 21000 et seq., including without limitation CEQA Guidelines 15378(b)(4) and 15061(b)(3), as it can be seen with certainty that there is no possibility that the adoption of the ordinance itself may have a significant effect on the environment. To the extent that vacant property tax revenues generated by the Ordinance may in the future be used to fund the construction of capital improvements, the Ordinance may assist in the financing of future “projects” that will be subject to environmental review pursuant to CEQA at the “earliest feasible time” prior to “approval” consistent with CEQA Guidelines Sections 15004 and 15352.

**SECTION 6. Approval; Effective Date.**

This Ordinance shall become effective immediately upon the following conditions: (i) approval of the ballot measure seeking approval of this Ordinance by 2/3 majority of the voters casting votes at the Election of the City of Adelanto to be held March 5, 2024; (ii) certification of all votes cast by the City Council confirming that a 2/3 majority of voters have approved the ballot measure approving this Ordinance; and (iii) implementation of this Ordinance by City Council upon certification of the election results.

**SECTION 7. Council Amendments.**

This Ordinance may only be amended by a vote of the people if the amendment would result in the special tax being imposed, extended, or increased in a manner not authorized by this Ordinance as originally approved by the voters. The City Council of the City of Adelanto is hereby authorized to amend Chapter 3.70 of the Adelanto Municipal Code as adopted by this Ordinance in any manner that does not increase the tax rates, or otherwise constitute a tax increase for which voter approval is required by Article XIII C of the California Constitution.

**SECTION 8. Expiration of Tax.**

This Ordinance shall expire 20 years after it is first levied. By way of example only and without limiting the generality of the foregoing, if the tax were first levied in the 2024-25 tax year, the 2044-45 tax year would be the last year in which it may be levied. The

voters of the City of Adelanto may amend the term of the tax at any time prior to its expiration.
