ARGUMENT IN FAVOR OF MEASURE [?]

This Argument in Favor of Measure [?] was submitted pursuant to Section 9315 of the California Elections Code. It is the opinion of the author(s), and has been printed exactly as submitted.

Vote YES on Measure [?] to REMOVE THE UNFAIR FIRE TAX – AGAIN!

Measure [?] proposes to repeal the Service Zone FP-5 Special Tax. In 2022, 58% of county voters voted YES to repeal this tax. However, county supervisors approved lawsuits designed to overturn the vote.

Visit www.redbrennan.org/CommitteeToRepealFP5Again! for more information.

Why repeal the tax?

- The tax largely falls on residents living in the poorest parts of the county.
- Many of the taxed parcels are vacant land. Cal-Fire is responsible to fight those fires, not the County Fire Protection District.
- Small single-dweller properties pay the same as large luxury hotels.
- Despite widespread disapproval, the FP5 special tax was championed by greedy public employee unions and passed by elected county supervisors. A two-thirds approval vote, as required by the State Constitution of *every voter in the fire district was never even* submitted to the voters.

What is the YES on Measure [?] campaign really about? It is about sending a message to elected representatives.

- Lining the pockets of public employee unions with *taxpayer's* money is unacceptable.
- It is about controlling the ever-increasing funding required to feed the over-generous public employee pension system.
- It is about voters insisting their vote be heard and *counted* by elected officials.
- It is about voters *taking back* their own government.
- It is about *repealing unfair taxes* and turning out incumbent politicians that represent special interests rather than you – the voter!

Right now, those in government are getting the gold mine while you get the shaft.

Vote “YES” to remove this tax! Insist **they ask us before they tax us!**
