

Alta Loma School District
2024 School Bond Measure – Election Day: November 5, 2024

ARGUMENT IN FAVOR OF MEASURE G

VOTE YES on Measure G to improve the quality of education that neighborhood children receive attending Alta Loma public elementary and junior high schools – WITHOUT raising your tax rate!

Our community has generously supported **Alta Loma School District (ALSD)** schools in the past. Thanks to your continued generosity, we have made significant strides in enhancing our classrooms and facilities. As we strive to provide the best learning environment, our 10 schools, serving nearly 5,500 students daily, require ongoing school facility improvements that far exceed ALS D's available maintenance budget.

If we want our kids to succeed in high school, college, and careers, they must be skilled in today's technologies. **Measure G** provides a responsible plan to continue repairing/updating ALS D schools. NO other funding currently exists to properly upgrade these facilities.

Measure G will:

- **REMOVE** remaining hazardous materials like asbestos/lead pipes from older school sites
- **ENHANCE** student safety/campus security systems including fencing, cameras, emergency communications, smoke detectors, fire alarms, and sprinklers
- **PROVIDE** classrooms, facilities, and technology needed to support instruction in math, science, and engineering
- **REPAIR** remaining older classrooms/school facilities, including deteriorating roofs, plumbing, sewer, heating, ventilation, and electrical systems
- **RENOVATE** one older school to meet current health/building safety codes; ensuring proper access for students with disabilities
- **UPGRADE** classrooms/computer systems to keep pace with instructional technology

Measure G WON'T raise your tax rate. It simply extends WITHOUT increasing the soon-to-expire bond authorization previously approved by voters, continuing locally controlled funding for needed facilities upgrades at our schools.

Taxpayer safeguards are REQUIRED: Measure G requires a transparent system of accountability, including a project list detailing exactly how money will be used, a Citizens' Oversight Committee, and mandatory audits ensure funds are spent properly.

VOTE YES on G for safe, quality ALS D elementary and junior high schools. Our children are worth it!
