

City of Fontana
Ballot Argument in Favor of Measure T

Vote YES on Measure T to protect our quality of life and keep Fontana clean, safe and strong.

Fontana is a dynamic city with a thriving modern economy, committed to maintaining a family-friendly environment rich in opportunities and community recreation. That is why we need Measure T.

Thousands of Fontana children and youth rely on City-run and supervised afterschool and summer programs, as well as gang prevention programs for at-risk youth. Measure T helps fund programs to keep our kids off the streets, safe, and away from gangs.

When you have an emergency, seconds count. Measure T is critical to maintaining existing levels of services so our police and firefighter/ paramedics are available when needed.

Independent engineers rated over 20% of Fontana's streets as "very poor," "poor," or "marginal" and their condition has worsened. Measure T helps keep up with basic repairs and maintenance to public facilities, storm drains and sidewalks — repairs that will only get more expensive if we don't address them now.

Measure T ensures out-of-town visitors pay for their share of police, fire, street repairs and other services when they are in our city.

Measure T is Transparent and Accountable

- All funds must support Fontana services – the State can't take a penny of Measure T
- Independent citizens' oversight and annual reports to the community are required
- Essentials like groceries and medicine are exempt

We need Measure T to protect public safety services and maintain the quality of life our residents deserve.

Vote YES on T: Keep Fontana Safe and Strong

- Maintain 911 response times and support paramedic services
- Prevent property crimes
- Support after-school and gang prevention programs
- Keep public areas and parks safe and clean
- Maintain police and fire facilities and equipment
- Fix potholes and repair streets

Join local business owners, public safety officials and neighbors: vote YES on T!

STATEMENT BY PROPONENTS/AUTHORS OF ARGUMENTS

Elections Code section 9600 requires that all arguments concerning measures shall be accompanied by the following statement, to be signed by each proponent and by each author, if different, of the argument.

The undersigned proponent(s) or author(s) of the:
