

GRAND TERRACE GENERAL SERVICES MEASURE – ARGUMENT IN FAVOR

Vote Yes on ___ to improve 911 emergency response times, protect Grand Terrace's quality of life, secure economic stability, and ensure our city remains safe and thriving.

Grand Terrace faces increasing challenges due to unfunded State mandates and Sacramento's soft on crime policies. Despite these obstacles, our city has remained fiscally responsible, adopting balanced budgets, reducing costs, and delaying necessary investments. However, there's no more room for cuts without jeopardizing critical community services and public safety.

Measure ___ is our solution to enhance law enforcement services, improving public safety and emergency response times essential for protecting our property values.

Here's what Measure ___ will do:

- **Enhance Police and Emergency Response:** Strengthen law enforcement to respond faster in emergencies.
- **Combat Theft and Improve Neighborhood Safety:** Increase patrols and crime prevention programs to reduce theft and ensure safer neighborhoods.
- **Address Homelessness and Retail Theft:** Provide resources to tackle homelessness and curb retail theft, enhancing overall community safety.

Best of all, Measure ___ ensures out-of-town visitors pay their share when they are in our community and those tax dollars will help keep our Grand Terrace safe.

Measure ___ is designed with fiscal accountability and transparency in mind and is subject to annual audits. Importantly, 100% of Measure ___ funds remain in Grand Terrace and cannot be taken by the state.

Groceries, prescription medicine, labor and professional services would be exempt from Measure ___.

Please join emergency responders, businesses, faith leaders and your neighbors - **Vote YES on ___ to keep Grand Terrace neighborhoods safe** and keep our city strong for generations to come.
