CANDIDATE(S) FOR UNITED STATES REPRESENTATIVE DISTRICT 23

PAT WALLIS

Age: 51

Veteran Advocate / Innovation Lab Director

I'm a veteran, family man, systems and community builder with a record of service—from U.S. Army Engineer Corps officer and U.S. Coast Guard Civil Engineering Division civilian to Planning Commissioner and nonprofit president serving our veterans. Today, I lead the Innovation Lab at the world's leading mapping technology company. I don't just talk about the future—I build it. Throughout my career, I've engineered systems for those who respond when everything's at stake.

Most families are facing a cost of living deficit up to \$66,000 chasing the American Dream. Raising my kids here, I've lived the challenge. Saving for retirement and our kids' future shouldn't be a luxury. Affordable housing and healthcare, lower taxes, and living wage jobs are required.

Cutting red tape at the Department of Veterans Affairs to improve services so veterans get the care they earned, while expanding Social Security, Medicare, and Medicaid are top priorities.

65% of our district is public land, but budgets have been cut up to 70% since 2011. Our communities are paying the price with tragic consequences: service cuts, wildfires, soaring insurance costs. Restoring these budgets and enacting a public option for disaster insurance is essential.

Forever wars cost lives and money. I believe in diplomacy first and military intervention as a last resort.

Making these changes stick means ending the corruption:

- Term limits for Congress and federal judges
- Eliminating crooked pardons
- Stopping billionaires from influencing elections
- Restoring federal oversight and the rule of law.

Washington needs an innovator who'll fight for everyone. Visit: www.PatWallis.com

KAREN LEIGH MATTHEWS

Navy Veteran / Medical Doctor

I am a medical doctor, Navy veteran, and small business owner serving veterans. I'm an Independent who is accountable to you, not to special interests or a political party.

This is a moment that demands courage — courage to lower costs for working families and challenge a broken political system.

California families are paying more for groceries, housing, healthcare, and everyday necessities. The 23rd District deserves leadership that will stand up and fight for the people — not political insiders.

My priorities are clear:

- Deliver affordable healthcare for veterans, seniors, and families
- Restore the path to homeownership
- Strengthen Medicare and protect Social Security
- Protect American jobs as artificial intelligence transforms our economy
- Honor our promises to veterans who earned their care and benefits through service

Washington doesn't need another politician. It needs leaders willing to stand up and serve.

Vote for Karen Leigh Matthews for Congress.

When Honor, Courage, Commitment are required, Independent leadership matters.

TESSA LYNN HODGE

Age: 37

Licensed Clinical Social Worker

We need new leadership in Washington. We need someone who will tackle the affordability crisis. We need someone who will fight for homeowners when homeowner insurance companies refuse to do business here in our state. We need someone willing to fight back against this administration and ICE overreach.

I get it. I'm a lifelong resident of our district and my husband and I call this community home, so I know the struggles we're all dealing with. That's why I'm in this fight. To be our voice in Washington.

I'm proud to be the CA Democratic Party's officially endorsed candidate, but I'm running to represent everyone.

As a Licensed Clinical Social Worker who has worked in our hospitals and schools, I have seen the struggles of those in our community, and have worked to help families all across our district. As a small business owner, I know what it's like to struggle with your bills. As the great granddaughter of immigrants from Mexico, I understand the pain and fear a lot of us are facing now. As the granddaughter and daughter of veterans I want to protect and expand the VA. I have a vision of our community where hospitals are fully staffed and residents are able to work where they live.

I am proud to be endorsed by the CA Democratic Party, state elected officials, local Mayors, Teamsters 1932, and community members. I would be honored to earn your vote.

ELI C. OWENS

Age: 45

AI Government Analyst

Artificial Intelligence is the #1 Issue of all time and if other revolutions have taught us anything it's that the rich get richer by replacing humans with machines. The Assembly Line replaced human production with machine production. The Information Age was the start of human intelligence being replaced by machine intelligence. Then there was the Internet Revolution when human sales were replaced by machine sales.

But here's the difference. The assembly line was finite. It didn't get better and smarter by itself each day. 100 humans were replaced but that was it. But this time there is no "finite" and in the wrong hands AI has the capability to replace humans by machines. We The People cannot let that happen.

Call it fate but the primary falls on June 2 which marks the 10th anniversary when our group was the first to break ground for cannabis in California. All the hard work had paid off and the American Dream was here at last. But it's never enough for the greedy and once again I had been duped but this time by the Judicial System itself.

In my unwavering pursuit for justice these past 7 years I have learned this common phrase: "Don't tell me the law, tell me the judge."

Y'all this game has been rigged from the start. Divide and conquer is what they did and they are good at it! Help me "Make it an even playing field." OwensForUS.com

p.s. Happy 250th America!

JAY OBERNOLTE

Age: 55

Congressman / Business Owner

I started a successful business from my college dorm room over 30 years ago. Since then, I've created hundreds of high-paying jobs and raised a family in our community. I ran for office because I worried my children couldn't live the same American Dream, even if they worked as hard as I did, because our government isn't working for us. I'm fighting to change that in Washington.

Hardworking Californians suffered when reckless government spending drove up inflation to a 40-year high. That's why I've fought to reduce inflation by passing commonsense reforms to eliminate fraud and abuse, cutting over \$1.6 trillion in wasteful spending.

While Sacramento politicians raised our taxes, and now propose to tax every mile we drive, I fought for the Working Families Tax Cuts. That stopped a \$1,500 per year tax increase on taxpayers, eliminated taxes on overtime, tips, and Social Security, and increased the child tax credit for families.

When soft-on-crime politicians allowed human trafficking and drugs to pour into our community, I fought to secure our border and passed laws holding fentanyl poisoners accountable. Since then, drug overdoses have fallen 30%.

I'm also deeply committed to fighting for those who fought for us. That is why I worked with both Republicans and Democrats to expand resources for Veterans and give our soldiers a well-deserved raise.

I believe that America's best days are still ahead of us. I would be honored to earn your vote and continue fighting for you in Washington. Learn more at ElectJay.com.

JOE MALES

Mayor Pro Tem

Joe Males is a Marine Corps veteran, small business owner, Hemet City Councilmember and Mayor Pro Tem, and devoted father who has dedicated his life to serving his country and community.

Shortly after turning 18, Joe enlisted in the United States Marine Corps. He attended boot camp at Camp Pendleton and later served overseas in the Philippines and Guam. After being honorably discharged as a Sergeant, Joe continued supporting fellow veterans through leadership roles in his local Elks Lodge and American Legion post, helping ensure veterans receive the support and resources they have earned.

Following his military service, Joe built a successful career in computer networking services. Starting in an entry level position, he worked his way through multiple leadership roles before founding his own business in 1996. As a small business owner, Joe understands the hard work and sacrifice it takes to build a business and create jobs.

Joe's decision to run for office was deeply personal. After his son, a Marine who followed in his footsteps, was tragically murdered, Joe ran for Hemet City Council determined to stand up for public safety and the rule of law.

As Mayor Pro Tem and a member of the City Council, Joe has worked to improve infrastructure, support local businesses, and keep neighborhoods safe and clean.

Joe Males is proudly endorsed by the California Republican Assembly.

RAUL RUIZ

Emergency Physician, Congressman

Housing is unaffordable for many. Groceries are too expensive. Trump's tariffs have increased costs for businesses and consumers. And healthcare costs have skyrocketed.

Meanwhile, Republicans in Congress are making it worse. I'm furious, and I know you are too.

I grew up in a trailer in Coachella, the son of farmworkers. My family – and most others in our community – struggled to afford food, housing, and healthcare.

I wanted to make life better for families like ours, so I became an Emergency Room physician to help people in need. Public service is my mission.

I ran for Congress so I could do even more to help people. I don't care about titles or power. I care about getting things done. That means:

Lowering The Cost Of Living: I helped pass the Inflation Reduction Act, cutting the cost of energy and medicine. I voted to crack down on oil and gas companies that are gouging consumers, and to reduce the cost of housing and childcare.

Affordable Healthcare For All: I wrote a law improving MediCal coverage for thousands of local families. I voted against Trump's bill that cut MediCal and increased health insurance costs for millions of Californians. And, I voted to reduce prescription drug costs through Medicare.

Fighting For Workers And Retirees: I delivered millions of dollars in funding to help create new jobs in healthcare, construction, and clean energy. And, I kept my promise to oppose all cuts to Social Security and Medicare.

I will never stop fighting for you.

CANDIDATE(S) FOR UNITED STATES REPRESENTATIVE DISTRICT 31

GIL CISNEROS
U.S. Congressman

As a United States Navy Officer and former Undersecretary of Defense, I learned that leadership is defined not just by words, but by action. I've dedicated my life to serving our country and delivering real results that expand opportunity for families in the San Gabriel Valley.

Working families are feeling the strain as paychecks fail to keep pace with rising costs. I have fought to raise wages and lowered expenses for military families. In my first year in Congress, I have worked to secure over \$18 million in funding for local projects that benefit our communities and create jobs.

We owe a lasting debt to our veterans. My father, a Vietnam veteran exposed to Agent Orange, faced serious health challenges and lost his insurance, an experience that drives my commitment to protect veterans and their families. I believe every family deserves affordable, high quality healthcare. As your Congressman, I voted to extend ACA tax credits, reduce healthcare costs, and will fight to expand access to high quality healthcare.

Public safety means ensuring that every family can live, work, and go to school without fear. Our communities are strongest when residents can trust all levels of law enforcement. We'll protect our families by prioritizing sensible, results-driven solutions that target real threats to public safety.

I'm proud to serve you in Congress and ask for your support to continue fighting for working families to keep us safe, expand access to healthcare, and make living affordable.

CANDIDATE(S) FOR UNITED STATES REPRESENTATIVE DISTRICT 33

ERNEST "ERNIE" RICHTER

Retired Mechanic

I favor return American owned factories/manufacturing to United States or build American owned factories. I oppose foreign governments and other foreign attempts purchasing American Farmland. We need U.S. military equipment and uniforms made entirely in U.S., American made from American natural resources, parts, and components to finished products from American owned, managed, and operated companies. America first. I have spent decades studying how American Manufacturing, Agriculture, and National Security directly support jobs, tax revenue, and economic stability. I believe America needs rebuilding the Industrial base to protect American future. Manufacturing creates entire chains of jobs, not just factory work. Outsourcing destroys the tax base that funds schools, services, and government. Government development programs, particularly the military feeds money to manufacturers to provide U.S. needs and is needed to restore U.S. Manufacturers supporting U.S. National Security. Dismantling domestic American Industry risks economic collapse just like German Weimar Republic 1918-1933 where German postage went from a few cents, to 100 Billion German Marks for 1 postage stamp; wheel barrows full of money for 1 loaf of bread. Only American owned American companies should receive government contracts. United States Department of Agriculture Farm Price Supports maintain American Farms and helps Farms avoid being purchased. Food Assistance programs should prioritize American grown/produced food. I have lived 14 years in District 31/33. Pomona native. Veteran-B52's. A.S., Lib Sci. B.S. Educ, (CTE/Voc Ed). Th.G., Grad of Theology, undergrad. Divorced, Toni Rene Hoover, son Jonathan Richter.

PETE AGUILAR

United States Representative

Age: 46

Inland Empire families deserve a leader who has a record of taking on the tough fights to help families get ahead. That's why I've been working in Congress to bring down costs, protect health care, defend our freedoms, and bring home federal resources to improve public safety and create more good-paying local jobs.

Growing up in a working-class family in San Bernardino, I understand the economic challenges that families in our community are facing. My first job was bussing tables at the San Bernardino County Courthouse cafeteria and with the help of federal grants and student loans, I was able to work my way through college.

I know that household budgets are stretched thin and families are working harder than ever before. That's why I've been working tirelessly to bring down costs by:

- Capping the cost of insulin at \$35/month for seniors
- Expanding access to affordable health care
- Building more affordable housing
- Safeguarding Social Security and Medicare

As a Member of House Democratic Leadership and the Highest Ranking Latino in Congress, I've also been leading the fight to end the abuses of MAGA extremists, like weaponizing ICE to terrorize communities, ripping away health care, and cutting access to essential programs that Inland Empire veterans, seniors, and children rely on.

In Congress, I will continue fighting to make life more affordable, protect our rights, and expand employment opportunities in our region.

It's a privilege to work on your behalf in Congress and I'd be honored to earn your vote.

CANDIDATE(S) FOR UNITED STATES REPRESENTATIVE DISTRICT 35

NORMA J. TORRES

U.S. Representative

Our families are at a breaking point. Reckless Republican tariff policies are driving up the cost of groceries, gas, and everyday essentials. Republican funding cuts are forcing hospitals, nursing homes, and community health centers to close so billionaires and big corporations can get more tax breaks.

Instead of helping working people, Republicans have unleashed out of control, masked federal agents into our neighborhoods, spreading fear instead of safety.

Norma Torres is running for Congress to stop this abuse of power and keep delivering real results for working families.

Norma and her husband are lifelong Inland Empire residents, where they raised three sons. She understands the daily struggle to balance work, family, and bills because she's lived it. Norma has a proven record of listening to our community and delivering results.

Before entering public office, Norma worked the graveyard shift as a bilingual 911 dispatcher. As Mayor and a state legislator, she fought for affordable housing, delivered \$2 billion to keep families in their homes, expanded public transportation, and cracked down on predatory lending, sexual predators, and public corruption.

In Congress, Norma secured over \$70 million for local projects, returned millions to taxpayers, and protected childcare, education, and infrastructure programs that create good-paying jobs.

Norma will keep holding political elites accountable, reining in federal overreach, lowering costs, protecting healthcare, and strengthening our communities, not targeting them. She'll always put seniors, veterans, small businesses, and working families first, and she'll never stop fighting to make government work for you.

CANDIDATE(S) FOR STATE SENATOR DISTRICT 32

KELLY SEYARTO
State Senator

Age: 66

California's state government is broken. There are no checks and balances in our Legislature, and it is clear that one-party rule has been a disaster for our citizens.

California is unaffordable for too many families. Our taxes are the highest in the nation, the gas tax has skyrocketed, and our small business climate is ranked one of the worst in the country. And now Democrats are proposing a new tax on every mile you drive.

After spending billions of taxpayer dollars, the results do not match the promises. From housing and public safety to our aging infrastructure, this state is failing to deliver. Despite record spending on education, too many students are still unprepared to succeed in college or the workforce.

Fraud and abuse of your tax dollars at the hands of the Sacramento Democrats and the Governor is unacceptable, and I will continue to fight to stop it. Enough is enough.

I am proud to have passed legislation supporting military families, college students, seniors, crime victims, and homeowners. My proposal to exempt military retirement and survivor benefits from state income tax was adopted in the state budget. I have also passed laws improving public safety, transparency, and protections against property fraud.

I offer years of life experience, having served 35 years as a firefighter and 13 years as a local elected official. My wife is a small business owner, and we raised our family in this region.

I humbly ask for your vote.

CANDIDATE(S) FOR MEMBER OF THE STATE ASSEMBLY DISTRICT 34

CHARLES HUGHES

Small Business Owner

Age: 56

I am a proud husband of 37 years, a father of five, and a grandfather of eight. I've dedicated my life to service — first as a U.S. Navy veteran, then as a retired law enforcement lieutenant, and now as a small business owner committed to strengthening our community.

Whether supporting my grandchildren's scouting adventures or attending PTA, 4H, and Future Farmers of America events, I believe leadership begins at home. I believe in personal responsibility, hard work, and showing up for the people and places that matter most.

I currently serve as a local high school district Board Trustee and have been honored to serve two terms as Board President. I'm active with Antelope Valley Boosters in support of our law enforcement and first responders, and I host Coffee4Vets at my restaurant every Tuesday morning to serve those who have served our country.

As your Assemblyman, my priorities are clear:

Make Life Affordable Again: Oppose a Mileage Tax, cut burdensome regulations, and deliver middle-class tax relief.

Make California Safe Again: Support law enforcement, increase police presence, and end early release for repeat offenders.

Protect Parental Rights: Ensure parents are informed, involved, and empowered in their children's education.

Strengthen Our Schools: Expand school choice, prioritize academic fundamentals, and invest in career and trade pathways.

Leadership must be grounded in principle, service, and accountability. I would be honored to earn your support. Visit votecharleshughes.com to learn more and join our campaign today.

RANDALL PUTZ

Mayor / Small Businessowner

For 25 years, my family and I have called this region home. I've spent nearly two decades serving our communities as a school board trustee, fire authority director, city council member, and three-time Mayor of Big Bear Lake. My public service has always focused on bringing people together to solve problems and strengthen the communities we love.

I hear the same concerns across our mountain and high desert communities. Families are struggling with rising costs for housing, healthcare, utilities, and everyday necessities. Too many people feel like the California dream is slipping out of reach. I'm running for State Assembly to make life more affordable and secure so everyone has the chance to build and enjoy a future here with dignity, stability, and hope.

As a small business owner and longtime local official, I understand the challenges our communities face. I believe in practical solutions that expand affordable housing, improve access to healthcare, strengthen our schools, and support good local jobs. I have worked across political lines to deliver results for our region by listening, respecting different perspectives, and focusing on what brings us together. This record of service is why my campaign has earned strong support and endorsements from leaders, educators, firefighters, and community members across our region.

Our district deserves a strong, experienced voice in Sacramento. I will fight for the resources and attention our communities need and deserve. I would be honored to earn your vote.

MANNY LIN

School Board Member / Special Needs Educator

Our golden state of California is at a crossroads. Prioritizing public safety, as your assemblyman I will advocate for legislation that restores just penalties to protect victims and families from crime. Policies that reform homeless, immigration, and emergency prevention (wildfires and floods) so everyone, whether urban or rural, can enjoy our freedoms and liberties under our constitutional rights should also be implemented. Affordable cost of living and increased job and business opportunities will be promoted by cutting red tape and bureaucracy, fixing regulations, balancing the budget while recalibrating taxes, leading to increased home ownership in the community, thriving small businesses, robust healthcare especially for our veterans, lower energy, utilities, and grocery bills, better infrastructure including roads and highways, and the ability to live the American dream with a strong economy. As a member of the school board of trustees for Hesperia Unified and as a special needs educator with L.A.U.S.D. in my seventeenth year of teaching, I have championed to make our public schools high ranking and to uphold parental rights by focusing on student achievement in reading, writing and math, leading to high test scores and graduation rates in order to prepare our youth for bright and modern careers in a productive and civil society. As an UCLA magna cum laude graduate, Eagle Scout, community activist for our freedoms, and a Taiwanese-American immigrant from a family with a military background, I will serve and represent the community to preserve the American Dream.

STEVE FOX

Attorney / Businessman

Elect Steve Fox

Let me cut your taxes. Let's bring the real property taxes down to their 1967 Level, during the Proposition 13 era. Let's re-establish the rainy-day fund. Then when our state has a problem, they can use it instead of levying a new tax on us. If the state wants to put in a new program, they must first eliminate an old program of equal cost.

We can reduce the cost of groceries by bringing back the small truckers who charge less, to California. They left because of the high cost of environmental regulations on their trucks. These environmental regulations need to be suspended.

We need to cut the cost of electricity and gas. People can't survive with these crushing costs.

Disabled veterans should be excused from paying property taxes.

In 2014, I served as your state assemblyman. I authored a bill to create a 420-million-dollar state tax credit which Northrup Grumman used to get the 81-billion-dollar defense contract. I brought jobs to our area. I previously served as chairman of the AV Hospital Board. Working with others we helped build the Woman's and Infant Center without charging taxes.

Join me in cutting taxes and costs. Let's make California affordable again.

My wife Sharon and I have been happily married for 46 years. I am a father and grandfather, and I want a safe community for all our families.

Mayor / Nurse

I am Ida Obeso-Martinez, a Mayor, nurse, and mother of three who has devoted my career to saving lives and serving my community. I am running for State Assembly because families in San Bernardino County deserve a strong advocate who understands their challenges.

In the State Assembly, I will work to:

CANDIDATE(S) FOR MEMBER OF THE STATE ASSEMBLY DISTRICT 39

JUAN CARRILLO
Legislator

Age: 54

Working families in our community are getting squeezed, and too many leaders are out of touch with what that feels like.

Good paying local jobs are hard to find. Many parents drive long distances just to make ends meet. Our public schools need to prepare kids for real careers, not just graduation day. And no family should have to delay healthcare because they're worried about the bill.

I came to this country from Mexico looking for opportunity. I worked as a dishwasher to put myself through school, earned a degree, became a city planner and was elected your state Assemblymember. I've never forgotten where I started or who I represent.

In the Assembly, I've focused on bringing better jobs closer to home, making housing more affordable for working families and seniors, investing in public education, and expanding access to healthcare. I've fought to raise wages and protect workers because no one who works hard should struggle to keep the lights on.

While I am proud of my work delivering millions back to our community to improve parks, build quality housing, and clean up our neighborhoods, there is still so much more that needs to be done.

I will never stop fighting for working families – bringing down the cost of housing, providing access to quality healthcare and ensuring safe neighborhoods and schools.

I am supported by the California Democratic Party, Planned Parenthood, and labor unions representing teachers, nurses, firefighters and healthcare workers.

I'd be honored to have your vote.

CANDIDATE(S) FOR MEMBER OF THE STATE ASSEMBLY DISTRICT 41

JOHN HARABEDIAN
California State Assemblymember

Age: 44

Dear Neighbor,

It has been my honor to serve as your State Assemblymember since 2024.

Our communities have faced daunting challenges: devastating wildfires tore through portions of Los Angeles County, rising prices have squeezed family budgets, and our state's housing crisis continues. I am working every day to help the people I serve navigate these challenges, while I'm also fighting to change laws to solve the underlying causes.

Among many efforts last year, I successfully championed new legislation to:

- Make it easier to build starter homes for working families.
- Ensure firefighters have the protective equipment they need.
- Improve access to Medi-Cal health services.
- Help wildfire victims pause their mortgage payments.

My campaign has been endorsed by groups representing local teachers, nurses, firefighters, librarians, college professors, construction workers, small business owners, and retirees. I hope to earn your vote and continue advocating for our Foothill and High Desert communities in the State Assembly.

CANDIDATE(S) FOR MEMBER OF THE STATE ASSEMBLY DISTRICT 47

JASON BYORS
Small Business Owner

Age: 55

We need change in Sacramento.

The cost of living is rising faster than wages. Folks are struggling to afford to live here. Homeowner's insurance is not a possibility for many in our district, leaving their homes vulnerable to fires, earthquake damage, or other disasters. Homelessness is on the rise. Simply put, we have leadership at the state level who have forgotten about us in favor of their big corporate donors, and our area is suffering because of that.

Despite what our politicians in Sacramento might say, I feel what you're feeling — inflation is continuing to rise, and families are being priced out of living here. That is unacceptable.

As a small business owner. I've seen firsthand the struggles that small businesses and working families face. We must have leadership that supports our small businesses, not just large corporations who can donate to their campaigns.

I'm also a local here. My partner JR and I live in lovely Cathedral City, and we love it here. I will do everything I can to fight for all of our communities here in the Coachella Valley.

It's time for change. It's time to elect someone who will fight for us in Sacramento. I'm proud to be endorsed by local Mayors, City Council Members, and School Board Members. I'm also very proud to be endorsed by leaders from both parties, as well as those who are independent.

I'd be honored to earn your vote.

LETICIA CASTILLO
Assemblywoman

Age: 54

Californians are struggling with the highest cost of living in the nation, and as your Assemblywoman, I pledge to continue fighting every day to make living more affordable.

Californians want Safer Communities, and I hear you. That's why I'm endorsed by Sheriff Shannon Dicus and District Attorney Jason Anderson because I prioritize cleaning up our streets and keeping you and your family safe.

Every child deserves a guarantee of a quality education. That's why in the Legislature I have supported dedicated funding for our schools and defended parental rights.

Sacramento has failed our working families for too long by serving their own interests instead of listening to you, the People. I will continue to be your voice in state government and prioritize the well-being of our communities over greed, divisive social agendas, and partisan politics.

Before being elected to the Legislature, I worked for Riverside County Department of Mental Health and was a small business owner. My life's work as a Licensed Psychotherapist gives me the skills to serve you with compassion. I hold a Bachelor's Degree in Human Services and a Master's in Counseling Psychology, specializing in Marriage and Family Therapy and Professional Clinical Counseling.

Guided by faith, I will continue the fight to restore balance and improve the quality of life in Assembly District 58 and across California.

As a lifelong resident of the District for over five decades, I'm proud to have broad support and endorsements from Grand Terrace community leaders including the Mayor and City Council Members.

I would be honored to earn your vote to continue representing you in the State Assembly.

County Superintendent / Mother

Cali has dedicated her life to serving students in San Bernardino County. A first-generation college graduate, Cali began in the classroom and worked her way through school and district leadership. She is in her 17th year as a Superintendent, focusing on strong academics, responsible budgeting, and school safety.

**CANDIDATE(S) FOR MEMBER, BOARD OF SUPERVISORS DISTRICT 2
SAN BERNARDINO COUNTY**

JESUS "JESSE" SANDOVAL

Fontana City Councilmember

Age: 68

I have been a resident of the County of San Bernardino for 60 years. My wife and I have been married for 42 years and have 3 adult children. As an elected Fontana City Council member, I have ensured we have maintained a balanced budget without raising taxes.

As your County Supervisor representative for Fontana, Rancho Cucamonga, and Upland, I will work to keep our communities moving forward, making public safety, county services, and senior services our top priorities.

Like much of the rest of the state, the county faces difficult times. The long and deep recession has decimated our tax base, the state has hijacked county revenues, and other funding sources have dried up.

We need to focus on a new tax base, one based on an improved business climate. The county should work to help both new and established businesses thrive in our communities. We must foster a partnership between the county and its businesses.

As your elected supervisor, I will always promise to:

- Have an open-door policy
- Keep an open mind
- Lend a listening ear to all concerns

Please join me, and together we can ensure that the County of San Bernardino not only thrives, but prospers.

JESSE ARMENDAREZ III

San Bernardino County Supervisor 2nd District

As your County Supervisor, I've fought for working families and safer neighborhoods—for your family and mine.

We strengthened public safety by adding sheriff's deputies to jails and keeping sexually violent predators off our streets.

Through a fentanyl awareness campaign and school partnerships, fentanyl-related deaths dropped nearly 20% in one year. By adding K-9 units, we're continuing to take drugs off our streets.

I established the County Office of Suicide Prevention so families in crisis know help is available.

We've launched economic development programs to support small businesses, prevent layoffs, and create jobs during tough times.

Homelessness requires action—not endless spending without results. In partnership with our West End cities, we're opening a regional navigation center providing beds with mental and medical care—managed by County staff to prevent waste and ensure every dollar delivers impact.

Our mountain communities are safer with new snowcats and rescue helicopters for emergencies.

I will lead the effort to reduce property taxes and stop tax increases so families can keep more of their hard-earned money.

My record has earned the support of firefighters, police, labor, and mayors. I hope to earn yours—together we can keep our streets safe for our families.

**CANDIDATE(S) FOR MEMBER, BOARD OF SUPERVISORS DISTRICT 4
SAN BERNARDINO COUNTY**

CURT HAGMAN

County Supervisor / Businessman

As your San Bernardino County Supervisor, I'm working hard to make life better and more affordable for our families.

My efforts helped bring Ontario International Airport back to local control and make it a powerful economic engine that supports 27,800 jobs.

I added more deputies on patrol to keep neighborhoods safe and reduce crime; co-authored legislation to increase penalties for the illegal possession of firearms by convicted felons; funded resources to support women escaping domestic violence; improved our county's emergency response systems to protect families during disasters; and championed a community cat program to save lives of stray animals.

To make life more affordable, I opposed raising taxes; worked to lower healthcare costs; expanded access to healthcare; improved the county's credit rating; and pursued energy efficiency projects to save taxpayers millions.

Hundreds of homeless veterans, children, and individuals with disabilities have found housing because of our efforts. Investing in mental health and substance abuse treatment is helping to address root causes of homelessness.

My efforts earned endorsements from small business owners, law enforcement, firefighters, educators, healthcare professionals, workers, and councilmembers from Chino, Chino Hills, Ontario, Montclair, and Upland.

There's more work to do. I'd be honored to have your vote.

CHRISTINA GAGNIER

Businessowner / Teacher

Age: 44

San Bernardino County should be a place where families can find affordable housing, good-paying jobs, and build a better future. It's time for change.

As Supervisor, I will focus on:

- Lowering everyday costs, like housing, energy, and groceries.
- Creating good-paying jobs and helping businesses succeed.
- Fixing our roads and infrastructure to make commutes easier.
- Protecting the community from ICE's abuse of power.
- Defending our democracy and civil rights.

As a school board member, I stood up to extremists who tried to use social issues to divide us, and focused on helping students succeed. I worked to get teachers more classroom time with students. I partnered with labor unions to create career programs, and I helped start a dual immersion language program and a new bioscience academy.

As Chair of the Chino Valley Chamber, I helped secure millions for workforce development programs and connected employers with job seekers.

I also worked with California law enforcement to develop training to better protect women and children from exploitation, harassment, and online bullying.

My career has been about standing up to extremists and bringing people together to deliver results. I pledge to do the same as your Supervisor.

It is the greatest honor of my life to serve as your Sheriff and lead the men and women of the San Bernardino County Sheriff's Department. From the 101st Airborne Division of the U.S. Army to federal law enforcement and 35 years with the San Bernardino County Sheriff's Department, I have dedicated my career to protecting our communities.

Since marrying and raising a family with my wife Karen, it has been my privilege and honor to serve our community as a member of the Loma Linda City Council for the past sixteen years. These years have been enriching for me personally, and for our City. I continue to enjoy the interaction with many of you in addressing issues and opportunities in our community.

I am pleased with the way the Council has collaborated and been united in identifying and resolving challenges that emerge in our city and proud of the progress we have made. There are four priorities that have and will continue to guide my involvement in our City's governance. They are:

- Maintain transparent, ethical and collegial representation in our governance process.
- Promote economic development by supporting existing businesses and major employers while attracting new businesses to our community.
- Preserve and enhance public safety.
- Work locally and regionally to improve transportation in Loma Linda.

I have worked hard to be responsive to the priorities and needs of our individual citizens and collective community. I look forward to the opportunity to work with you over the next four years and seek your support for another term of service.

JONATHAN HARTNELL

Legal Professional

Age: 41

Loma Linda is the community my wife and I chose to raise our three children in, and this special City holds immense significance for us. I was born and raised here. As a Loma Linda Academy graduate and legal professional, I am dedicated to serving our community, protecting its values, and ensuring that city government remains accountable to residents—not special interests.

I am running for City Council to preserve what makes Loma Linda unique: strong families, responsible leadership, beautiful open spaces, and institutions like Loma Linda University Health that serve our City and region. These are challenging times, and I strongly oppose raising taxes. I will protect our residents and largest employer and medical provider from harmful political decisions.

My priorities include:

- public safety
- support for medical institutions
- fiscal responsibility without tax increases
- responsible economic development
- preserving open spaces and quality of life

I will work to ensure first responders have the necessary resources, ensure thoughtful growth that safeguards neighborhoods, and insist taxpayer funds are spent prudently.

Loma Linda offers an exceptional quality of life. I am dedicated to keeping it secure and prosperous for current and future generations. I respectfully ask for your vote for City Council.

AMY JONES

Medical Education Coordinator

Dear Neighbors,

Loma Linda is a special community, defined by service, health, and strong neighborhood values. Loma Linda is my home.

I live here, work at the School of Medicine, lead the community garden, and volunteer with the Loma Linda Firefighters' Association.

I've won grants for health and recreation, and I've brought funding for wildfire preparedness to Loma Linda. I will focus on grant funding to offer community programming and safety improvements.

As a leader, I begin by listening to you, the resident, and turning your feedback into real results. That's why I've conducted community surveys to move your requests forward.

I will keep you informed through newsletters, town halls, and surveys to learn about your needs and ideas.

District 3 is the heart of Loma Linda, where neighborhoods, healthcare, and university life come together. This requires steady, team-oriented leadership that values collaboration and balance.

Amy's Priorities:

- Securing grants, partnerships, and responsible funding solutions,
- Protecting parks, trees, and green space,
- Strengthening safety and resources for crosswalks, roads, trails, animal welfare, and fire/police,
- Promote Economy & Amenities: healthy dining and retail options that are Blue Zone friendly.

Together, as a team, we can keep Loma Linda's tradition of health and prosperity as a priority.

**CANDIDATE(S) FOR MEMBER, CITY COUNCIL WARD 1
CITY OF SAN BERNARDINO**

OMAR WILLIAMS
Retail Security Officer

I am running for City Council because I believe public service means putting the people first. I'm not interested in fighting other politicians — I'm interested in fighting for you. The 1st Ward is full of hardworking people who deserves someone that stands with them - Not against them.

As a public servant, my goal is simple: protect our neighborhoods, strengthen our community, and always put residents first. Together, we can move Ward 1 forward.

VIRGINIA MARQUEZ
Community Services Liaison

Dear Neighbor,

As a lifelong resident of San Bernardino, I believe our city deserves leadership rooted in integrity, accountability, and results. I proudly served two terms on the City Council (2010 - 2018), helping guide our city through bankruptcy and restoring financial stability during one of our most difficult times. With more than 30 years of experience in public safety as a California State Parole Agent and, recently, a Community Services Liaison for a County Supervisor, I understand what it takes to protect our neighborhoods and deliver solutions.

Today, we are seeing troubling failures in leadership. Vacant buildings downtown remain neglected and continue to catch fire, threatening public safety and slowing economic growth. We have also witnessed attempts to weaken the voice of voters through political power grabs. The corruption and backroom decision-making at City Hall must stop.

My priorities:

- Addressing Homelessness
- Restoring Trust in City Hall
- Revitalizing Downtown

I am proud to have the support of Mayor Helen Tran because transforming San Bernardino will take a unified vision and steady leadership. That is why I am stepping up once again to serve you.

Don't lose hope - we can restore integrity, rebuild trust, and move our city forward.

THEODORE SANCHEZ
Councilmember

Quality of life: I fought to secure \$40 million for park improvements and \$50 million to repave our streets. City crews have removed 300 tons of trash left at homeless encampments, while compassionately working to solve homelessness.

Public Safety: Crime is at a 25-year low because I prioritized investments in public safety. The Mt Vernon Bridge, the largest public works project in San Bernardino history completed in 2025 cut emergency response times in half on the West Side.

Affordability: As your Councilmember, I led our City out of bankruptcy, saving taxpayers millions in debt and taxes, without raising costs on residents. There are currently 2,000 new housing units either in development or under construction; including senior homes and affordable housing.

Growth: Business activity is at an all time high. In the past 2 years, the City has issued a record 20,000 business permits. San Bernardino International Airport had its first ever commercial passenger flight August 2022 to destinations across the country.

Proudly endorsed by: San Bernardino County Professional Firefighters and The San Bernardino Police Officers Association

There is still much more to be done; I would be honored to continue to serve you on the City Council.

CHRISTIAN SHAUGHNESSY
Housing Specialist

Age: 31

We have been left behind for too long. Our neighborhoods deserve consistent leadership, real presence, and action, not silence. Families are asking for paved streets, real solutions to homelessness, downtown areas they can shop in, and beautification that reaches every block. We cannot afford to be ignored any longer. It's time for leadership that shows up and delivers.

I've already been doing the work. As a housing and homelessness specialist working full-time in Ward 2, I'm on the front lines addressing the root causes of instability.

I serve as Chair of the County's Youth Coordinated Entry System, tackling the toughest cases of youth homelessness, and I lead the homeless youth motel voucher initiative contracted with the City of San Bernardino, bringing immediate shelter and stability to vulnerable youth. Through my service on key local committees, I advocate for working families and public safety.

I'm proudly endorsed by the Inland Empire Labor Council AFL-CIO, representing over 90 unions and 400,000+ families across Riverside and San Bernardino counties.

This isn't a promise, it's my record! We need action, accountability, and leadership rooted in community. We can't accept the status quo, and we can't go backward—together, we move forward!

SANDRA IBARRA
Council Member

Age: 46

Since 2018, I have focused on safety, beautification, and addressing homelessness. Despite inheriting a bankrupt city with outsourced services, we stabilized finances and balanced our budget. I worked to save our local animal shelter from being outsourced, ensuring residents could retrieve their pets locally. Efforts have been made to rebuild city staffing levels and improve support for residents.

Community engagement has increased through free and fee-waived events such as local festivals, parades, and holiday celebrations plus our Christmas Tree Lighting in downtown. Waste service costs remained stable for five years, and new discounts were approved for seniors, single residents, and mobile home parks. Code Enforcement staffing was expanded with a focus on helping residents rather than simply issuing citations.

Public safety improvements include adding Police officers, reducing crime, and improving response times. The city has invested millions in infrastructure, including: repaving street, installing solar-powered LED lights, replacing broken sidewalks, trimming trees, repairing bridges.

Significant progress has also been made in addressing homelessness by expanding available shelter beds from 100 to 800 and coordinating regionally with neighboring cities and agencies.

Additional efforts included COVID-19 rental and utility assistance, funding home repair loans, and building affordable homes for first-time homebuyers on vacant city land.

Dear Voter,

We deserve better from our elected officials. Our city government is dysfunctional, constantly bickering, fighting and lacking focus on the real needs of our community. The status quo is not an option.

My experience organizing friends and neighbors to clean our city, my work volunteering to help our vulnerable population, demonstrate my leadership values. My focus is on making our city better for everyone.

My family and I have lived and worked here for over 30 years. The choice is clear. The status quo is not the best choice for us. I truly believe that I am the Better choice for you.

I respectfully ask for your vote. My commitment to you and our city will be steadfast. I will work for a better San Bernardino.

VINCENT LASTER

Age: 61

As a candidate for public service, I bring a strong record of financial oversight, disciplined leadership, and community engagement. As Board Chair of a credit union, I have worked closely with executive leadership to ensure responsible fiscal management, regulatory compliance, and long-term financial stability. In that role, I have overseen budgets, strategic planning, and risk management policies that protect member assets and strengthen institutional growth.

My experience as a United States Marine Corps Intelligence Non-Commissioned Officer instilled in me the values of integrity, accountability, and mission-focused leadership. Managing sensitive information, coordinating operational planning, and leading Marines under pressure sharpened my ability to make sound decisions based on facts and analysis.

At the local level, I serve as President of our neighborhood association, where I work collaboratively with residents and city officials to improve public safety, advocate for responsible development, and organize community clean-up efforts. This hands-on leadership has reinforced my commitment to transparency, fiscal responsibility, and measurable results.

I am prepared to apply my financial expertise, military discipline, and community leadership to serve with dedication, fairness, and a focus on strengthening the future for all residents.

FRED SHORETT

San Bernardino City Council Member / Businessman

San Bernardino has come a long way since I helped us exit bankruptcy. We still have challenges to overcome, however I am working with my fellow councilmembers to deliver real results to our community.

As a lifelong resident of San Bernardino, I care about our city. I raised my children here and started my small business here after serving overseas in the U.S. Army, earning a Bronze Star. As your city councilmember, I am fighting to improve our quality of life.

Here's what I've done:

- Balanced the city budget and increased our rainy-day fund
- Increased the number of police and first responders in our city, resulting in a 25-year low crime rate
- Invested in repaving and improving our streets and parks, cleaning graffiti, and cleaning up over 50,000 pounds of trash
- Helped attract more well-paying jobs into the city and increased affordable housing permits for seniors
- Reduced the homeless population by cleaning up encampments

I'm proud to be endorsed by San Bernardino's police officers because they know I'm fighting to keep our city safe. I would be honored to continue serving you.

JOE SALAS

Teacher

Teacher/City Commissioner

As a teacher, I dedicated my career to preparing the next generation for success because I believe when we invest in residents and families, we invest in the future of the City of San Bernardino. I will bring the same commitment to growth and accountability for the residents living, working, and playing in Ward 4.

For nearly two decades, we have seen San Bernardino plummet. We have seen efforts to sideline voters and concentrate power at City Hall instead of respecting the will of the people. Closed-door politics are the routine and business as usual has destroyed public trust. Resident tax dollars are being spent on priorities that do not improve the quality of life for you and your family.

Through my work in the community, I helped champion a Community Workforce Agreement that will bring hundreds of livable-wage jobs to San Bernardino families. I brought a farmers market to downtown San Bernardino, expanding access to fresh, organic food. As a Parks and Recreation Commissioner, I moved the meeting to the evening so working families get better access and participate in public dialogue.

Together, we can rebuild the city and choose A Better Way Forward for San Bernardino.

**MEASURE X
CITY OF LOMA LINDA**

IMPARTIAL ANALYSIS OF MEASURE X

This Impartial Analysis of Measure X has been prepared by the City Attorney pursuant to Section 9280 of the California Elections Code.

If adopted by a majority of the voters, Measure X would enact a one percent (1%) increase in the sales tax rate in the City of Loma Linda. The measure was placed on the ballot by a petition signed by the requisite number of voters.

The sales tax is also referred to as a "transactions and use tax." The current sales tax rate in the City of Loma Linda is seven and three-fourths percent (7.75%). This tax will add 1 cent (\$.01) to each dollar (\$1.00) of taxable sales and transactions in the City of Loma Linda. Accordingly, if Measure X is adopted, the sales tax rate in the City of Loma Linda would increase to eight and three-fourths percent (8.75%). The proposed sales tax increase, like the current sales tax, would be imposed upon the sale of all tangible personal property sold at retail within the jurisdictional limits of Loma Linda, as well as upon the storage, use or other consumption of tangible personal property purchased from any retailer and delivered or used in the jurisdictional limits of the City. During its first year of operation, the sales tax is estimated to generate approximately \$6.4 million in revenue. If adopted, the sales tax increase would be effective on October 1, 2026.

All revenue generated from the proposed sales tax increase would be deposited into the City's General Fund, and used by the City to pay for general City operations and services including, but not limited to, fire and police/sheriff protection, preventing crime, maintaining 911 emergency response, protecting local drinking water sources, maintaining streets and parks, keeping public areas safe and clean, addressing homelessness, providing senior citizen programs, repairing streets and potholes, maintaining open space and natural areas, and general services of the City. As such, this ballot measure proposes a "general purpose tax," rather than a "special purpose tax." The measure requires a simple majority vote (50% plus 1) for adoption.

Measure X requires audits by an independent auditor and public disclosure of the receipt and expenditures of the revenue generated by the proposed sales tax increase to ensure compliance with requirements of the ballot measure.

ARGUMENT IN FAVOR OF MEASURE X

This Argument in Favor of Measure X was submitted pursuant to Section 9282 of the California Elections Code. It is the opinion of the author(s), and has been printed exactly as submitted.

Measure X ensures that we can maintain essential city services, including 911 emergency response, fire and paramedic services, public safety and street repairs while addressing homelessness and continuing our investments in youth, parks, and senior programs.

We all know that in an emergency, every second counts. This measure provides funding for firefighter and sheriff response, ensuring first responders have the equipment needed to save lives, protect property, and keep Loma Linda residents safe. For example, with increasing wildfires, floods, and other extreme weather events across the country, it is more important than ever that emergency services can respond quickly. The measure will also help fund the city's new fire station, providing adequate coverage for Loma Linda's growing population and ensuring fast, reliable emergency response when it matters most.

Our community has been facing massive cuts to federal funding sources, and it is critical we maintain our vital city services and protect our community's long term financial stability and the excellent quality of life of Loma Linda residents. Measure X will ensure funding to maintain clean and safe parks and public spaces for our children to play in and programs for seniors, along with funding for needed road repairs in our neighborhoods. It will also allow us to continue investing and retaining our growing small business community. All of which enhance our community, making Loma Linda a great place to live, work, and raise our families.

Measure X generates approximately \$6.4 million a year for the City of Loma Linda to ensure a thriving city for Loma Linda residents for generations to come. It provides strict accountability with annual independent financial audits and public disclosure of all spending.

REBUTTAL TO ARGUMENT IN FAVOR OF MEASURE X

This Rebuttal to Argument in Favor of Measure X was submitted pursuant to Section 9285 of the California Elections Code. It is the opinion of the author(s), and has been printed exactly as submitted.

Don't you hate it when governments dangle your favorite essential services like police and fire protection in front of you, and threaten to shut them down if you disapprove their proposed tax increase? This kind of pitch is always dishonest, because current revenues are adequate for essential services. What they really want is extra money for something else that they're embarrassed to ask for, like **hiring more bureaucrats**, or for expensive pet projects for politicians, or **unwarranted future pay increases** for public employees.

The primary concern lies not in a revenue shortfall but rather in excessive proposed spending. Local economic growth has swelled the City's coffers for the past 20 years, funding excellent services and competitive employee compensation. Future growth will continue the trend **without a rate increase**. The biggest tax advocates supporting the council majority got a 37% pay increase and they demand more.

Loma Linda's prudent budgeting produced years of \$2,000,000 average surpluses. Instead of raising taxes, the City should continue to live within its means. Residents don't want higher taxes on top of runaway inflation so that the City can spend wildly.

Measure X increases the sales tax rate by 13%, extracting from residents, businesses and visitors over \$250 for every man, woman, and child in the city.

The bottom line? City employees desperately want to tax you, but **Loma Linda does NOT need this tax increase**.

Measure X is not intended to safeguard services but rather to facilitate increased spending. Vote NO on Measure X.

ARGUMENT AGAINST MEASURE X

This Argument Against Measure X was submitted pursuant to Section 9282 of the California Elections Code. It is the opinion of the author(s), and has been printed exactly as submitted.

Vote NO on Measure X.

Don't be misled by scare tactics. Every time special interests want more money, they threaten the same thing: public safety cuts. **Don't be fooled:** 911 and other essential services are fully funded – saying otherwise is a dishonest strategy. No fire stations are closing and emergency response times won't take longer. What this tax really does is give City Hall millions more for government employee salaries and political pet projects.

Measure X is a blank check and a general tax, meaning the money can be spent on **anything**, with **no guarantee it will go to public safety**, infrastructure, or anything else maintaining our quality of life.

Loma Linda residents are already struggling with rising costs for **housing, food, utilities, medication, and everyday necessities**. Yet special interests are asking voters to approve a **1% sales tax increase**, costing the average family of four **about \$1,000 more every year** for basic purchases. Can you afford that?

The truth is the City doesn't have a revenue problem—it has a **spending problem**.

Over the past six years, revenues have increased by 45%, yet spending has surged as well, particularly for employee salaries, which have risen by over 30% plus additional benefits for many of the same employees supporting this tax increase. Did your salary increase over 30%? For nearly **20 years**, Loma Linda maintained responsible finances with **about \$2 million per year in budget surpluses**.

ARGUMENT AGAINST – Continued on next page

Current Council majority advocated for reckless spending and even criticized a recent budget because the project deficit **wasn't large enough**.

Measure X won't just harm families and taxpayers, it will also hit our local economy. **Loma Linda University Health** could face **\$2.1 million in additional annual costs**, reducing resources for jobs and services. Families can't afford higher taxes - **vote NO on Measure X**.

REBUTTAL TO ARGUMENT AGAINST MEASURE X

This Rebuttal to Argument Against Measure X was submitted pursuant to Section 9285 of the California Elections Code. It is the opinion of the author(s), and has been printed exactly as submitted.

The opposition to Measure X is written by individuals who contributed to our challenges, yet now ask you to reject a solution to protect their image—without offering a realistic alternative. This measure should not be about anyone's "legacy." It is about doing what is right for the city we call home.

Opponents claim essential services are "fully funded," yet the city continues to reduce investments in infrastructure and amenities. One example is our newest fire station, which remains completely unstaffed despite population growth. Does this sound like a "pet project"?

Last year, 85% of calls to the Loma Linda Fire Department were medical emergencies. Measure X helps us get the people and equipment needed to save lives!

Their alternative is clear: more cuts—fewer programs, less maintenance, and reduced public safety. One councilmember stated they are open to bankruptcy rather than a tax increase. Others have suggested **reducing sheriff's deputies** and **eliminating the city's fire department**. Slower emergency response, declining infrastructure, and lower quality of life is not leadership—it puts public safety in jeopardy.

Measure X provides locally controlled funding with strict accountability measures you can be involved in to ensure funds are used as promised.

Don't be misled. At 1%, \$1,000 requires \$100,000 taxable spending—do you spend \$100k/year in the city? The measure would cost far less for most households, with a significant portion **paid by visitors**, not residents.

Essential purchases are exempt, including housing, groceries, medications, and other necessities.

Vote YES on Measure X.

- D. To adopt a retail transactions and use tax ordinance that can be administered in a manner that will be, to the greatest degree possible, consistent with the provisions of Part 1.6 of Division 2 of the Revenue and Taxation Code, minimize the cost of collecting the transactions and use taxes, and at the same time, minimize the burden of record keeping upon persons subject to taxation under the provisions of this ordinance.

In the event a retailer has no permanent place of business in the State or has more than one place of business, the place or places at which the retail sales are consummated shall be determined under rules and regulations to be prescribed and adopted by the California Department of Tax and Fee Administration.

3.34.070. Use Tax Rate.

An excise tax is hereby imposed on the storage, use or other consumption in the City of tangible personal property purchased from any retailer on and after the operative date of this ordinance for storage, use or other consumption in said territory at the rate of 1% of the sales price of the property. The sales price shall include delivery charges when such charges are subject to state sales or use tax regardless of the place to which delivery is made.

3.34.080. Adoption of Provisions of State Law.

3.34.090. Limitations on Adoption of State Law and Collection of Use Taxes.

In adopting the provisions of Part 1 of Division 2 of the Revenue and Taxation Code:

- A. Wherever the State of California is named or referred to as the taxing agency, the name of this City shall be substituted therefor. However, the substitution shall not be made when:
 1. The word "State" is used as a part of the title of the State Controller, State Treasurer, State Treasury, or the Constitution of the State of California;
 2. The result of that substitution would require action to be taken by or against this City or any agency, officer, or employee thereof rather than by or against the California Department of Tax and Fee Administration, in performing the functions incident to the administration or operation of this Ordinance.
 3. In those sections, including, but not necessarily limited to sections referring to the exterior boundaries of the State of California, where the result of the substitution would be to:

- B. The word "City" shall be substituted for the word "State" in the phrase "retailer engaged in business in this State" in Section 6203 and in the definition of that phrase in Section 6203.
- C. "A retailer engaged in business in the District" shall also include any retailer that, in the preceding calendar year or the current calendar year, has total combined sales of tangible personal property in this state or for delivery in the State by the retailer and all persons related to the retailer that exceeds five hundred thousand dollars (\$500,000). For purposes of this section, a person is related to another person if both persons are related to each other pursuant to Section 267(b) of Title 26 of the United States Code and the regulations thereunder.

3.34.100. Permit Not Required.

If a seller's permit has been issued to a retailer under Section 6067 of the Revenue and Taxation Code, an additional transactor's permit shall not be required by this ordinance.

3.34.110. Exemptions and Exclusions.

- A. There shall be excluded from the measure of the transactions tax and the use tax the amount of any sales tax or use tax imposed by the State of California or by any city, city and county, or county pursuant to the Bradley-Burns Uniform Local Sales and Use Tax Law or the amount of any state-administered transactions or use tax.
- B. There are exempted from the computation of the amount of transactions tax the gross receipts from:

 - b. With respect to commercial vehicles, by registration to a place of business out-of-City and declaration under penalty of perjury, signed by the buyer, that the vehicle will be operated from that address.
 - 3. The sale of tangible personal property if the seller is obligated to furnish the property for a fixed price pursuant to a contract entered into prior to the operative date of this ordinance.
 - 4. A lease of tangible personal property which is a continuing sale of such property, for any period of time for which the lessor is obligated to lease the property for an amount fixed by the lease prior to the operative date of this ordinance.
 - 5. For the purposes of subparagraphs (3) and (4) of this section, the sale or lease of tangible personal property shall be deemed not to be obligated pursuant to a contract or lease for any period of time for which any party to the contract or lease has the unconditional right to terminate the contract or lease upon notice, whether or not such right is exercised.

 - 3. If the purchaser is obligated to purchase the property for a fixed price pursuant to a contract entered into prior to the operative date of this ordinance.
 - 4. If the possession of, or the exercise of any right or power over, the tangible personal property arises under a lease which is a continuing purchase of such property for any period of time for which the lessee is obligated to lease the property for an amount fixed by a lease prior to the operative date of this ordinance.
 - 5. For the purposes of subparagraphs (3) and (4) of this section, storage, use, or other consumption, or possession of, or exercise of any right or power over, tangible personal property shall be deemed not to be obligated pursuant to a contract or lease for any period of time for which any party to the contract or lease has the unconditional right to terminate the contract or lease upon notice, whether or not such right is exercised.

6. Except as provided in subparagraph (7), a retailer engaged in business in the City shall not be required to collect use tax from the purchaser of tangible personal property, unless the retailer ships or delivers the property into the City or participates within the City in making the sale of the property, including, but not limited to, soliciting or receiving the order, either directly or indirectly, at a place of business of the retailer in the City or through any representative, agent, canvasser, solicitor, subsidiary, or person in the City under the authority of the retailer.

7. "A retailer engaged in business in the City" shall also include any retailer of any of the following: vehicles subject to registration pursuant to Chapter 1 (commencing with Section 4000) of Division 3 of the Vehicle Code, aircraft licensed in compliance with Section 21411 of the Public Utilities Code, or undocumented vessels registered under Division 3.5 (commencing with Section 9840) of the Vehicle Code. That retailer shall be required to collect use tax from any purchaser who registers or licenses the vehicle, vessel, or aircraft at an address in the City.

D. Any person subject to use tax under this ordinance may credit against that tax any transactions tax or reimbursement for transactions tax paid to a district imposing, or retailer liable for a transactions tax pursuant to Part 1.6 of Division 2 of the Revenue and Taxation Code with respect to the sale to the person of the property the storage, use or other consumption of which is subject to the use tax.

SECTION II. Amendments. All amendments subsequent to the effective date of this ordinance to Part 1 of Division 2 of the Revenue and Taxation Code relating to sales and use taxes and which are not inconsistent with Part 1.6 and Part 1.7 of Division 2 of the Revenue and Taxation Code, and all amendments to Part 1.6 and Part 1.7 of Division 2 of the Revenue and Taxation Code, shall automatically become a part of this ordinance, provided however, that no such amendment shall operate so as to affect the rate of tax imposed by this ordinance.

SECTION III. Enjoining Collection Forbidden. No injunction or writ of mandate or other legal or equitable process shall issue in any suit, action or proceeding in any court against the State or the City, or against any officer of the State or the City, to prevent or enjoin the collection under this ordinance, or Part 1.6 of Division 2 of the Revenue and Taxation Code, of any tax or any amount of tax required to be collected.
