## B. Frequently Asked Questions

Q: What are the office hours to obtain candidacy documents?

A: The Registrar of Voters office will be open 8 a.m. to 5 p.m., Monday through Friday, except on holidays. We remain open between the hours of 12 p.m. to 1 p.m.

Q: How long will it take to complete documents?

A: The time frame to process candidates' documents varies. Appointments are scheduled for two hours, however, if the candidate needs more time, Registrar of Voters' staff will be able to accommodate the candidate. To avoid delays, we highly recommend that candidates file their documents early.

Q: May I have someone pick up my paperwork?

A: Yes, however, a letter of authorization signed by the candidate is required. The letter should include the candidate's name, the office they are running for, the election date, and the name of the authorized person(s) that will be responsible for picking up and filing the candidate's documents. If the authorized person is also filing the candidate's Declaration of Candidacy, the form must be notarized.

Q: May I fax or email my official candidacy documents?

A: Yes, except the Declaration of Candidacy. We also provide the option of electronic signatures at the request of the candidate. The original Declaration of Candidacy must be returned to the Registrar of Voters office either by mail or in person with a **wet signature** by 5 p.m. on the filing deadline.

Q: What forms of payment are acceptable?

A: For payments being made to the Registrar of Voters office, we can accept credit / debit cards, cash, money orders, cashier's checks, and personal checks.

For payments being made to the Secretary of State, we can accept money orders, cashier's checks, and personal checks which will be forwarded to the Secretary of State.

Q: Will I be able to obtain up-to-date information on who is running for office?

A: Yes, we will post an unofficial candidate filing list on our website each evening. The list will include updates as of 3 p.m. that afternoon. To view this unofficial list, visit our website at [Elections.SBCounty.gov](http://Elections.SBCounty.gov).

Q: May I change or correct the wording or spelling on my Candidate Statement after submission?

A: No. Pursuant to California Elections Code § 13307, a statement may be withdrawn but may not be revised. A candidate who does not file a statement at the time nomination documents are submitted is not eligible to file a statement at a later date. A candidate may either submit a statement concurrently with the nomination documents and withdraw it no later than 5:00 p.m. on the next working day following the close of the nomination period or choose not to submit a statement at the time of filing, in which case no statement may be filed thereafter. Candidates are strongly encouraged to review their statement prior to filing. Statements that conform to applicable laws will be printed as submitted.

Q: How does Assembly Bill 1392 affect my candidacy?

A: Pursuant to Assembly Bill 1392 (AB 1392), a candidate's residence address, phone number, and email listed on their voter registration are made confidential within five days of filing a Declaration of Candidacy. Candidates may opt out if they do not wish to have confidential voter status.

#### **D. Notice to Candidates Regarding Incompatible Offices**

The Political Reform Act does not prohibit a person from holding multiple public offices either within a single agency or different agencies. In addition, there are no provisions of the Act that preclude a person from seeking more than one elective office in a single election, or from serving in more than one elective office at any one time.

California Government Code § 1099 codifies the common law prohibition against the holding of “incompatible offices.” This doctrine restricts the ability of a public officer to hold two different public offices simultaneously if the offices have overlapping and conflicting public duties. For this section to apply, each position must be a “public office.” (California Government Code § 1099(c)).

Pursuant to California Government Code § 1099, a person may not simultaneously hold two public offices if: either of the offices exercises a supervisory, auditing, or removal power over the other office or body; there is a significant clash of duties or loyalties between the offices; or there are public policy considerations that make it improper. The consequence of holding an incompatible office is that the person is “deemed to have forfeited the first office upon acceding to the second” (California Government Code § 1099(b)). In addition, the California Constitution has provisions addressing the holding of two government positions.

The State of California Attorney General's office has issued numerous opinions on the subject, which are available on the Attorney General's website. If you have a question about whether two public offices you hold or seek to hold would be considered incompatible offices, contact the Attorney General's office, or visit their website, <https://oag.ca.gov/>.

For further information regarding conflict of interest or incompatibility of offices, visit the Fair Political Practices Commission's website at <https://www.fppc.ca.gov/>.

## **E. Notice to Candidates Who Are an Employee of a Local Agency**

Candidates elected or appointed to the governing body of a county, city, school district, community college district, or special district may not be an employee of that county, city, or district.

An employee of a local agency may not be sworn into office as an elected or appointed member of the legislative body of that local agency unless he or she resigns as an employee. If the employee does not resign, the employment shall automatically terminate upon his or her being sworn into office - (California Government Code § 53227 (a)).

- Definition of local agency - "Local agency" means a city, city and county, county, district, municipal or public corporation, political subdivision, or other public agency of the state - (California Government Code § 53227.2(a))
- Definition of legislative body - "Legislative body" means the board of supervisors of a county or a city and county, the city council of a city, or the governing body of a district, municipal or public corporation, political subdivision, or other public agency of the state - (California Government Code § 53227.2(b))

An employee of a school district may not be sworn into office as an elected or appointed member of that school district's governing board unless and until he or she resigns as an employee. If the employee does not resign, the employment will automatically terminate upon being sworn into office. (California Education Code § 35107(b)(1)).

An employee of a community college district may not be sworn into office as an elected or appointed member of that community college district's governing board unless and until he or she resigns as an employee. If the employee does not resign, the employment will automatically terminate upon being sworn into office. (California Education Code § 72103(b)(1)).

## CHAPTER 3: CANDIDATE FILING PROCESS

This section of the guide contains information regarding the forms required to file for office, how to select a ballot designation, and how to submit a candidate statement.

To become a candidate for office, candidates must file various documents with the Registrar of Voters and may have to pay certain fees. For the November 3, 2026, General Election, candidates may request candidate filing documents beginning July 13, 2026, and must return the completed candidate filing documents by 5:00 p.m. on August 7, 2026.

To officially declare themselves a candidate for office, all candidates must file a *Declaration of Candidacy* form (see section A). On the *Declaration of Candidacy* form, candidates declare which office they are running for, how their name shall appear on the ballot, and whether or not they want a ballot designation to appear on the ballot under their name. If a candidate wants a ballot designation, they must complete a *Ballot Designation Worksheet* (see section B).

Candidates may elect to compose and submit a statement of qualifications, commonly known as a Candidate Statement that will be printed in the *County Voter Information Guide*. If a candidate wants a statement printed in the guide, they must indicate this request on the *Candidate Statement Form* (see section C).

During the candidate filing process, candidates must elect confidential status or opt out by submitting the *Candidate/Write-In Candidate Confidential Status Request Form*. This form must be completed at the time when the *Declaration of Candidacy* is submitted. (see Section D)

Candidates who did not file a *Declaration of Candidacy* and did not meet their nomination petition requirements to place their name on the ballot may run for office as a write-in candidate. (see section E)

Potential candidates for city offices must request and file candidate filing documents with the City Clerk of that city.

You may schedule an in-person or online candidate filing appointment on our website at [Elections.SBCounty.gov](https://Elections.SBCounty.gov). Online candidates will meet with a staff member of the Registrar of Voters' office via Microsoft Teams to complete their forms.

**Important:** All candidates must deliver their *Declaration of Candidacy* form with a wet signature by mail or in-person to the Registrar of Voters office no later than 5:00 p.m. on August 7, 2026.

## A. Declaration of Candidacy

The *Declaration of Candidacy* is a required form that all candidates must file to officially become a candidate. On the *Declaration of Candidacy*, candidates declare which office they are running for, how their name shall appear on the ballot, and whether they request a ballot designation. If a candidate requests a ballot designation, they must complete a *Ballot Designation Worksheet* (see section B for more information).

The *Declaration of Candidacy* will be available at the start of the candidate filing period, which begins on July 13, 2026, and an original document with a **wet signature** must be delivered to the Registrar of Voters' office by 5:00 p.m. on August 7, 2026. Once filed with the Registrar of Voters, the *Declaration of Candidacy* becomes a public record and is available for viewing by the public upon request.

Candidates running for a city office must pick up and file the *Declaration of Candidacy* with the corresponding City Clerk.

### Candidate's Name on the Ballot

The candidate's name, as provided by the candidate on the Declaration of Candidacy, will appear on the ballot and **CANNOT** be changed after the nomination period has ended.

A Candidate **MAY**:

- Use first, middle, and last names.
- Use initials only with a last name.
- Omit their middle name.
- Use a shortened, familiar form of their legal first name (e.g., "Bill" for William, "Dick" for Richard, "Kathy" for Kathleen, "Pat" for Patricia, "Sue" for Susan, or "Terry" for Theresa). If a shortened name is used, it must replace the legal first name and be used consistently on all election documents.
- Use a nickname in quotation marks as a middle name, provided the first name (or initials) and last name are also shown. If the nickname does not have a clear or commonly recognized relationship to the candidate's legal name, it may only be used in this format. The full name, including the nickname, must be used consistently on all election documents (e.g., Jessie "Coach" Williams).

A Candidate May **NOT**:

- Use titles such as "Miss," "Mrs.," "Dr.," "Col.," "Rev." No title or degree shall appear either before or after a candidate's names on the ballot. (California Elections Code § 13106)
- Change their name within one year prior to the election. If a candidate changes their name within one year of any election, the new name shall not appear on the ballot unless the change was made by marriage or by decree of any court. (California Elections Code § 13104)

## **B. Ballot Designation**

Candidates may elect to have a ballot designation appear under their name on the ballot. A ballot designation describes that candidate's principal profession, vocation or occupation. Candidates who choose to have a ballot designation must declare on the *Declaration of Candidacy* that they request to have a ballot designation and complete a *Ballot Designation Worksheet*.

For offices that are nominated at the primary election and proceed to a run-off at the general election, the candidate's approved ballot designation shall remain the same for both elections unless the candidate changes the designation at least **98 days** prior to the general election.

### **1. Selecting / Submitting a Ballot Designation**

Candidates who choose to have a ballot designation must complete the *Ballot Designation Worksheet*. The *Ballot Designation Worksheet* is a form that a candidate uses to propose and justify the use of their chosen ballot designation. The Ballot Designation Worksheet must be filed by 5:00 p.m. on August 7, 2026, and cannot be changed by the candidate after that date.

- Prior to selecting a ballot designation, candidates should review the ballot designation rules and regulations (see section 2).
- For federal and state offices, the Secretary of State will review the completed *Ballot Designation Worksheet* and decide if the candidate's proposed ballot designation is acceptable for printing on the ballot.
- For city offices, the City Clerk will review the completed *Ballot Designation Worksheet* and decide if the candidate's proposed ballot designation is acceptable for printing on the ballot.
- For County, school district, and special district offices, the Registrar of Voters staff will work closely with candidates during the filing period to review their proposed ballot designation(s) as well as supporting documentation to ensure compliance with the ballot designation laws and regulations.

Once filed with the Registrar of Voters, the *Ballot Designation Worksheet* becomes a public record and is available for viewing by the public upon request.

### **2. Ballot Designation Rules and Regulations**

There are specific laws and regulations that govern whether a ballot designation is acceptable or unacceptable for printing on the ballot. These rules are outlined in California Elections Code § 13107, § 13107.3, § 13107.5 and Title 2 of the California Code of Regulations § 20710-20719.

The laws and regulations on ballot designations are complex and may be challenging to navigate. The Registrar of Voters recommends that any candidate seeking an interpretation of any statute or regulation cited in this guide consult with an attorney.

### 3. Principal Professions, Vocations, or Occupations

All candidates, excluding some judicial candidates, may choose to use no more than three\* words designating either (California Elections Code § 13107(a)(3)):

- their current principal professions, vocations, or occupations of the candidate, or
- their previous principal professions, vocations, or occupations during the calendar year immediately preceding the filing of nomination documents if the candidate is not currently engaged in principal professions, vocations, or occupations.

A candidate may engage in multiple principal professions, vocations, or occupations, and may designate multiple principal professions, vocations, or occupations. If a candidate proposes a ballot designation including multiple principal professions, vocations or occupations, the proposed ballot designation must (California Code of Regulations § 20714(e)):

- comply with the three\* word limitation,
- each independently qualify as “principal,”
- be separately considered by the elections official, and
- be separated by a slash (“/”).

\*For purposes of determining the word count of a ballot designation, the following shall be considered as one word (California Elections Code § 13107(d)):

- all California geographical names,
- hyphenated words that appear in any generally available standard reference dictionary, published in the United States at any time within the 10 calendar years immediately preceding the election for which the words are counted, including a generally available standard reference dictionary published online, shall be considered as one word. Each part of all other hyphenated words shall be counted as a separate word.

#### Definition for “Principal”

California Code of Regulations § 20714(b) defines the word “principal” as substantial involvement of time and effort such that the activity is one of the primary, main or leading professional, vocational or occupational endeavors of the candidate. The term “principal” precludes any activity which does not entail a significant involvement on the part of the candidate. Involvement, which is only nominal, pro forma, or titular in character does not meet the requirements of the statute.

If a candidate is licensed by the State of California to engage in a profession, vocation or occupation, the candidate is entitled to consider it one of their “principal” professions, vocations or occupations if:

- the candidate has maintained his or her license current at the time they file candidacy documents, and
- the candidate’s licensure status is not inactive, suspended or revoked at the time they file candidacy documents.

## Definition for “Profession”

California Code of Regulations § 20714(a)(1) defines “profession” as a field of employment requiring special education or skill and requiring knowledge of a particular discipline. The labor and skill involved in a profession is predominantly mental or intellectual, rather than physical or manual.

## 4. Elective and Appointed Office Titles

Candidates, excluding judges, who were **elected** by a vote of the people and hold office at the time of filing candidacy documents, may choose to use one of the following:

- their elective office title (California Elections Code § 13107(a)(1)), or
- the word “incumbent” if the candidate is a candidate for the same office which the candidate holds at the time of filing the nomination papers and was elected to that office by a vote of the people. A candidate shall not use the word “incumbent” if the candidate was elected to their office in an at-large election and is a candidate in a district-based election. (California Elections Code § 13107(a)(2) and California Code of Regulations § 20713(b)), or
- no more than three words designating their elective office title and their principal profession, vocation, or occupation (California Code of Regulations § 20712(d)).

**Example A:** Governing Board Member

**Example B:** Board Member, ABC School District

Candidates excluding judges who were **appointed** to fill a vacant office and hold office at the time of filing candidacy documents may choose to use one of the following:

- The word “Appointed” and their elective office title (California Elections Code § 13107(a)(4) and California Code of Regulations § 20715(b)), or
- the unmodified words “Appointed Incumbent” if the candidate is filing for the same office they currently hold (California Elections Code § 13107(a)(4) and California Code of Regulations § 20715(a)).

**Example A:** Appointed Incumbent

**Example B:** Appointed Board Member, ABC School District

## 5. Using the word “Retired”

California Code of Regulations § 20716(h) states that the word “retired” is generally limited for use by individuals who have permanently given up their chosen principal profession, vocation or occupation. In evaluating use of the word “retired,” the elections official will consider the following factors in making a determination:

- Prior to retiring from their principal profession, vocation or occupation, the candidate worked in the profession, vocation or occupation for more than 5 years.
- The candidate is collecting, or eligible to collect, retirement benefits or other type of vested pension.
- The candidate has reached at least the age of 55 years.
- The candidate voluntarily left his or her last professional, vocational or occupational position.
- The candidate's retirement benefits provide him or her with a principal source of income.

If a candidate is requesting a ballot designation that they are a “Retired Public Official,” the candidate:

- must have previously voluntarily retired from public office,
- not have been involuntarily removed from office,
- not have been recalled by voters, and
- not have surrendered the office to seek another office or failed to win reelection to the office.

A candidate may not use the word “retired” in his or her ballot designation if that candidate possesses another more recent, intervening principal profession, vocation, or occupation.

## 6. Using the words “Community Volunteer”

California Elections Code §13107.5 states that using “Community Volunteer” shall constitute a valid principal vocation or occupation for purposes of subdivision (a) of Section 13107, if not otherwise in violation of any of the restrictions set forth in that section, and subject to the following conditions:

- A candidate’s community volunteer activities constitute his or her principal profession, vocation, or occupation and
- A candidate is not engaged concurrently in another principal profession, vocation, or occupation and
- The words “Community Volunteer” are not used in combination with any other principal profession, vocation, or occupation designation.

California Code of Regulations § 20714.5 defines “Community Volunteer” as a person who engages in an activity or performs a service for or on behalf of, without profiting monetarily, one or more of the following:

- A charitable, educational, or religious organization as defined by the United States Internal Revenue Code section 501(c)(3);
- A governmental agency; or
- An educational institution.

If a candidate is requesting to use “Community Volunteer” as their proposed ballot designation, they must demonstrate that the activity/service constitutes substantial involvement of time and effort such that the activity/service is the sole, primary, main, or leading professional, vocational, or occupational endeavor of the candidate.

## 7. Acceptable Ballot Designations

California Code of Regulations § 20714(c) states that the candidate’s ballot designation must be factually accurate, descriptive of the candidate’s principal profession, vocation or occupation, must be neither confusing nor misleading, and must be in full and complete compliance with California Elections Code and California Code of Regulations.

California Code of Regulations § 20714(f) states that ballot designations shall be grammatically correct, generic, and all words must be spelled correctly. Punctuation shall be limited to the use of a comma and a slash; however, a hyphen may be used if, and only if, the use of a hyphen is called for in the spelling of a word as it appears in a standard reference dictionary of the English language, which was published in the United States at any time within the 10 calendar years immediately preceding the election for which the words are counted.

**Example A:** High School Teacher

**Example B:** Councilmember / Businessperson / Parent

## 8. Unacceptable Ballot Designations

California Elections Code § 13107(e) states that the elections official shall not accept any ballot designation that:

- would mislead the voter,
- suggests an evaluation of a candidate,
- abbreviates the word “retired,”
- uses a word or prefix, other than “retired,” that refers to prior status,
- uses the name of any political party, whether or not it has qualified for the ballot,
- refers to a racial, religious, or ethnic group, or
- refers to any activity prohibited by law.

California Code of Regulations § 20716(c) states that the elections official shall reject any proposed ballot designation which would mislead voters. In making this determination, the elections official shall determine whether there is a substantial likelihood that a reasonably prudent voter would be misled. The determination shall take into account the plain meaning of the words and the factual accuracy based upon supporting documents submitted by the candidate.

California Elections Code § 13107(f) states that, if elections official finds the designation to be in violation of any of the rules, the elections official shall notify the candidate, and the candidate has three days from receiving notification to provide the elections official with a ballot designation that complies with the rules. If a candidate fails to provide a designation that complies with the rules within the specified timeframe, no ballot designation shall appear after the candidate's name.

**Example A:** Former School Board Member

**Example B:** Counselor / Retired

## 9. Avocations, Statuses, and Pro Forma Professions

California Code of Regulations § 20716(b) states that avocations, statuses and pro forma professions, vocations and occupations are distinguished from professions, vocations and occupations and are not acceptable as ballot designations.

California Code of Regulations § 20716(b)(1) defines “avocations” as a casual or occasional activity, diversion or hobby pursued principally for enjoyment and in addition to the candidate’s principal profession, vocation or occupation.

California Code of Regulations § 20716(b)(3) defines “status” as a state, condition, social position or legal relation of the candidate to another person, persons or the community as a whole. A status is generic in nature and generally fails to identify with any particular specificity the manner by which the candidate earns his or her livelihood or spends the substantial majority of his or her time.

California Code of Regulations § 20716(b)(2) defines “pro forma” as positions held by the candidate which consume little or none of the candidate’s time and which, by their nature, are voluntary or for which the candidate is not compensated.

## **10. Leadership Positions in an Elective Body**

California Code of Regulations § 20712(d) states that ballot designations indicating a position of legislative leadership or leadership in another elected body are not elective offices and are improper. However, a candidate may propose these ballot designations for consideration as their current principal professions, vocations, or occupations and be subject to the three-word limit.

California Code of Regulations § 20712(e) states that any proposed ballot designation which indicates that the candidate is a member of the state or county central committee of a political party, or an officer of a state or county central committee of a political party, are improper and do not constitute elective offices.

## **11. Supporting Documentation Justifying Proposed Ballot Designations**

California Code of Regulations § 20717(c) states that the candidate shall have the burden of establishing that the proposed ballot designation is accurate and complies with all provisions of California Elections Code and California Code of Regulations.

California Code of Regulations § 20717(a) states that time is of the essence regarding all matters pertaining to the review of ballot designations submitted by candidates. Failure to promptly submit requested supporting documentation will preclude consideration of such materials in and the rendering of a final decision on the candidate's proposed ballot designation.

The Registrar of Voters requires candidates to provide documentation to support their principal professions, vocations, or occupations. Candidates are encouraged to provide supporting documentation at the time they file the *Ballot Designation Worksheet*. If a candidate is not able to provide documentation at the time of filing, the Registrar of Voters allows candidates to provide supporting documentation within three business days from filing the *Ballot Designation Worksheet*. If a candidate fails to provide supporting documentation, the Registrar of Voters may not approve the candidate's designation for printing on the ballot.

## **12. Ballot Designation Size and Format**

California Elections Code § 13107(i) states that ballot designations are printed in title case on the ballot, and that if a candidate's ballot designation is so long that it would conflict with the space limitations of the ballot, the elections official may use a type size that is sufficiently smaller to meet space limitations on the ballot.

California Elections Code § 13107(j) states that, for the purpose of foreign language translations of ballot designations, the elections official may employ abbreviations and/or initials wherever possible to meet space limitations on the ballot.

Due to space limitations, a ballot designation is limited to approximately 48 characters including spaces and punctuation. Candidates are encouraged to comply with the character limits.

## C. Candidate Statement

A candidate statement is a written statement provided by the candidate that is printed in the *State or County Voter Information Guide*.

The actual costs of inclusion will be determined after the election, and participating candidates will either receive a refund or will be responsible for paying additional costs at that time.

Estimated costs for candidate statements are calculated by district per registered voter. Payments are accepted in the form of cash, personal check, cashier's check, money order, or credit card. Payment is required at the time of filing your candidate statement.

The estimated costs for candidate statements by district for this election can be found at: [Elections.SBCounty.gov/elections/2026/1103/](https://Elections.SBCounty.gov/elections/2026/1103/)

- The candidate statement and the occupation listed on the *Candidate Statement Form* will be directly translated into Spanish and printed in the *County Voter Information Guide* as provided. To assist with the clarity of Spanish translations, it is recommended that candidates use slashes (“ / ”) instead of commas (“ , ”) to separate multiple occupations on this form.

Prior to publication, candidate statements are available for public examination for 10 days beginning the day after the Candidate Filing deadline. During the public examination period, the Registrar of Voters or any voter of the jurisdiction may seek a writ of mandate or an injunction requiring that any or all material in the candidate statement be amended or deleted (California Elections Code § 13313(b)).

In addition to seeking a writ of mandate or an injunction, the Registrar of Voters may strike any language not in compliance with California Elections Code.

California Elections Code § 13307, § 13307.5, § 13307.7, § 13308 state the rules relating to the composition of candidate statements.

## 2. Candidate Statements for United States Representative

#### 4. Candidate Statement Examples

The following examples are provided to demonstrate the difference between an acceptable and unacceptable candidate statement:

##### Example of an Acceptable Candidate Statement

I believe all residents deserve a high quality of water, and excellent service at an affordable cost.

As your next elected member of the Board of Directors of the High Plains Water District, my legal education will enable me to advocate effectively on your behalf. My years of experience of having served on several boards has prepared me for working well with other board members – by supporting good policy and ensuring all important issues are discussed when tough decisions need to be made.

My family has lived in this community for over thirty years and we've been blessed to be able to give back to our community through many years of community volunteerism – my wife volunteers at our local senior center and boy's and girl's club, and our daughters have been known to sing and dance at or participate at various local community events.

Qualifications – Community Volunteer

California Elections Code § 13311 and § 13313 state that the contents of the Statement will be confidential until the filing deadline has passed. At that time there will begin a 10-day period for public examination (at the Registrar of Voters office) before the Statement is printed. During this period anyone may obtain a copy at cost, and any voter of the jurisdiction may seek a writ of mandate or an injunction requiring any or all the material contained therein to be amended or deleted. The Statement will continue to be public record after the examination period is over.

## 8. Candidate Statements for County, City, School District and Local District Offices

California Elections Code § 13307 states that candidate statements shall be a brief description of no more than 200 words, shall be printed in type of uniform size and darkness, and with uniform spacing.

The Registrar of Voters interprets this to mean that candidate statements shall be typed in upper- and lower-case letters when appropriate, not in all capital letters. Additionally, candidate statements will be left aligned, shall be free from non-standard or atypical spacing and shall not contain any *italicized* or **bolded** letters.

California Elections Code § 13307 states that candidate statements shall be a brief description that expresses the candidate's education and qualifications, and shall not include party affiliation of the candidate, nor membership or activity in partisan political organizations. Nothing in the candidate's statement shall be deemed to make any such statement or the authors thereof free or exempt from any civil or criminal action or penalty because of any false, slanderous or libelous statements.

California Elections Code § 13308 requires that statements shall be limited to a recitation of the candidate's own personal background and qualifications. Statements shall not in any way make reference to other candidates for that office or to another candidate's qualifications, character, or activities. The election official shall not cause to be printed or circulated any statement that the election official determines is not so limited, or that includes any reference prohibited by this section.

It is the policy of the Registrar of Voters that a candidate's background may include details regarding the candidate's platform. A candidate's platform describes what they stand for and what they intend to do if they are elected.

It is the policy of the Registrar of Voters that if a candidate statement is determined to not be in compliance with the California Elections Code, the Registrar of Voters may strike any language not in compliance, may not print or circulate the statement, or may seek a writ of mandate or an injunction, requiring that the candidate statement be amended or deleted.

It is the policy of the Registrar of Voters that the candidate be fully responsible for ensuring that all spelling, punctuation, and grammar in a Candidate Statement is correct and free from errors. **The Registrar of Voters does not assume responsibility for reviewing or correcting spelling, punctuation, or grammar errors.** Only a cursory review of the candidate's statement will be done at the time of filing to ensure that the statement is acceptable.

In order to ensure more than one candidate statement will fit on a single page of the *County Voter Information Guide*, the Registrar of Voters may adjust the size of the text of the statement down to as little as size 8 Arial font.

In computing the word count of a candidate statement, it is important for candidates to keep in mind that only the text of the statement is included in the calculation of the word count. The title of the candidate statement, which includes the candidate's name, age, and occupation, does not affect the word count for a statement. Examples for counting words within a candidate statement are provided:

| Category:   | Example:  | Word Count: |
|---|---|-------------|
| Acronyms  | SBSU, PTA, U.S.M.C., S.B.P.D.   | One         |

**Note:** If a candidate statement is found to be over the word limit as calculated using Microsoft Word, Registrar of Voters staff will conduct a manual count of the words in the statement in accordance with California Elections Code § 9 which is reflected in the table above. Please note that this may increase the processing time and extend the length of the meeting.

## D. Candidate Confidential Status

Effective **January 1, 2026**, Assembly Bill (AB) 1392 introduces new confidentiality protections for voter registration information of elected officials and candidates. Pursuant to this new statute, you may request that your home address, phone number, and email on your voter registration record become confidential except for bona fide journalistic or governmental purposes.

### What information is confidential?

- Residence address
- Telephone number
- Email address (as listed on the affidavit of voter registration)

### What does it look like to be a confidential voter?

- You will not appear on any public roster for any election conducted in San Bernardino County.
- You can only vote using a mail ballot as your name will not be on the Polling Place roster.
- You will not be able to access voter services that are linked to your registration, including ***My Elections Gateway*** and ***BallotTrax***.
- A mailing address is required to allow for the delivery of ballots and other official election materials. This address can be disclosed to the public under specific circumstances.
- Any update to a voter registration record, including changes processed through the DMV, will terminate confidential voter status. To maintain the requested level of privacy, the Registrar of Voters must be notified immediately of any such update.
- Your status as a confidential voter will terminate once you vacate an elected office or, if still in office, choose to no longer have confidential status.
- This status only applies to you. No one else in your household is eligible to be a confidential voter under this provision, unless they, too, are an elected official.

At the time of filing, candidates must elect confidential status or opt out by submitting the Candidate/Write-In Candidate Confidential Status Request form. Candidates may update their status at any time by filing a new form with the Registrar of Voters. For unsuccessful candidates, confidential status will be removed once the winning candidate assumes office.

## E. Write-In Candidates

The statement of write-in candidacy and nomination papers are available starting September 7, 2026, and must be returned no later than October 20, 2026, at 5:00 PM. (California Elections Code § 8601) Write-in forms will be available at the Registrar of Voters' office during normal business hours. No filing fee is required. Write-in candidates are not eligible to submit a candidate statement or ballot designation, as their names will not appear on the ballot. (California Elections Code § 8600-8604) A person may not be a write-in candidate at the general election for a voter-nominated office. (California Elections Code § 8600)

## CHAPTER 4: FAIR POLITICAL PRACTICES COMMISSION (FPPC) FILINGS

The Fair Political Practices Commission (FPPC) is an independent regulatory agency that enforces campaign finance laws. The San Bernardino County Registrar of Voters is one of many filing agents for the FPPC and is responsible for collecting campaign disclosure statements from candidates who are required to file, including candidates running for office in any election. However, it is the responsibility of the candidates and committees to be aware of filing deadlines and to file the required forms in a timely manner.

Generally, candidates running for state and judicial offices should file their required financial disclosure statements with the office of the Secretary of State. Candidates running for county, school and special district offices must file their required financial disclosure statements with the Registrar of Voters. Candidates running for municipal offices should file their required financial disclosure statements with the clerk for that municipality.

Candidates running for Federal offices do not file state campaign disclosure statements but are required to file certain federal campaign statements. Candidates running for Federal offices should visit the Federal Election Commission website ([www.fec.gov](http://www.fec.gov)) for more information about their requirements.

### A. Fair Political Practices Commission Filing Forms

The following is a list of financial disclosure forms that may be required for candidates running for office. Please refer to the instructions for filing, which is included with the form for requirements and filing locations. The following information is intended to be used as reference only. Refer to the appropriate statutes, including Election and Government Codes for more information, and consult with an attorney for questions about these statutes.

### A. Political Sign Regulations

The following guidelines pertaining to the posting of temporary political signs in San Bernardino County areas are provided to be of assistance. For more detailed information, contact your local code enforcement office.

#### 2. County Permitted Uses of Temporary Political Signs

Temporary political signs placed in unincorporated areas of the county are subject to specific requirements. Listed below are some rules that candidates should be aware of. According to San Bernardino County Code § 83.13.070(b)(1)(B), temporary political signs shall:

- Be removed within 30 days after the same election.

Candidates must submit completed forms to the Division of Traffic Operations at the address located on the form.
