

Argument Against Measure __

VOTE NO on Measure __

Measure __ is a RADICAL proposal to DEFUND fire protection services for residents in the communities served by the San Bernardino County Fire Protection District.

Here's why First Responders, Healthcare Professionals, Senior Citizens and Community Leaders urge you to vote NO on Measure __:

- **DEFUNDS EMERGENCY SERVICES:** Measure __ eliminates \$46.5 million in funding for Emergency Medical and Fire Protection services. That's nearly 20% of the entire County's fire-fighting operational budget! This Measure cuts essential life-saving services – not budgetary fat.
- **CLOSES FIRE STATIONS:** Measure __ will cause the closure of numerous local fire stations. Residents in our desert and mountain communities as well as the cities of San Bernardino, Upland, Needles and 29 Palms will be especially hard hit by these fire station closures.
- **INCREASED PARAMEDIC RESPONSE TIMES:** The extreme budget cuts in Measure __ will force paramedics to respond from further away – resulting in serious delays to emergency medical care that will put our families at risk.
- **RAISES FIRE INSURANCE RATES:** By reducing fire protection in our communities, Measure __ will significantly raise your fire insurance rates—more than wiping out the small savings from the elimination of the fire service tax.

Many residents of the communities affected by fire station closures may have their fire insurance coverage cancelled entirely.

Renters will pay increased monthly rents as landlords pass along their own higher insurance costs.

No one likes to pay taxes, but Measure __ is a FALSE promise that will cost you far more money in higher insurance rates and jeopardize the safety of you and your family.

Your Firefighters and Paramedics urge you to OPPOSE this radical measure which would close local fire stations and defund essential fire protection and emergency services.

VOTE NO on Measure __. For more information, visit www.SaveOurFireStations.com.
