CANDIDATE(S) FOR GOVERNING BOARD MEMBER
CHAFFEY COMMUNITY COLLEGE DISTRICT

NAME: KATHLEEN "KATHY" BRUGGER
OCCUPATION: Chaffey College Board Member

During my tenure on the Chaffey College Board, our team has expanded educational opportunities to serve more students in the community through:

- Expansion and enhancement of the Rancho Cucamonga and Chino Campuses and the Fontana Center while maintaining a strong Ontario presence.
- Easing of barriers for students to enter college by taking assessment programs to high schools.
- Encouraging high school students to participate in dual enrollment in Chaffey College courses by using local high school and community facilities.
- Bringing direct service to students by creating the Educational Excellence Center, a one stop shop for new and continuing students.

My goals for the future include: 1) expanding public/private partnerships for a highly trained workforce; 2) maintaining the college's commitment to academic/educational cooperation with our international students; 3) enhancing our campus wide policy of service to the public.

My years of experience as governing board member for Chaffey College have developed a working relationship within the areas we serve, and as the educational issues become more involved, will allow finding effective answers while continuing to work as a team for our students, our staff, and our communities!

Vote Kathy Brugger for Chaffey College Governing Board!

NAME: ZAFAR S. INAM
OCCUPATION: Engineer/Teacher

I'm running for the Chaffey College Governing Board because we need innovative ideas and a fresh perspective to solve today's complex problems.
I graduated from Chaffey College a decade ago and later received a Bachelors and Masters in Engineering from Cal Poly Pomona and CSU Fullerton.
Success stories like mine are becoming harder to obtain.
Tuition has increased substantially at Chaffey College.
The Inland Empire has become the second highest region for hi-tech job growth, yet Chaffey College struggles to graduate students ready to fill these regional jobs.
We can do better. Let's make Chaffey College affordable and competitive to meet today's demands.

Here's my 4 point plan:
- Promote Science, Technology, Engineering, and Math (STEM) education for regional high-tech 21st century jobs.
- Cut unnecessary spending through efficiency & innovation.
- Engage businesses to ensure that Chaffey College meets regional skill needs.
- Increase partnership with high schools & universities.

Vote Zafar Inam for Chaffey College Board on Tuesday, November 5, 2013.
With your vote, we can re-energize the dream of visionaries and Engineers, George and William Chaffey to make higher education obtainable.
Please call my cell: (909) 605-3564 or visit www.ZafarInam.com to learn more about me.
Thank you.

NAME: KATIE ROBERTS
OCCUPATION: Retired Police Captain

Over 18,000 students depend on Chaffey College for a comprehensive and affordable education. The delivery and scope of their education depends upon the direction given by Governing Board members and executed by staff. During my twelve years of the Board of Trustees, I helped facilitate major changes:

- New learning centers were established to ensure students' academic success.
- The community passed Measure L allowing for new campuses in Chino and Fontana; and the enlargement and rehabilitation of the Rancho Cucamonga campus.
- Chaffey College was able to serve all those who applied during an economic crisis.
- Curriculums were modified to meet the needs of the local workforce.
- Alliances were established with four year Universities to ensure our students admittance.
- Partnerships were formed with K-12 making the transition into college a reality.
- Drawing upon my career in law enforcement, procedures were put in place to protect students, faculty and staff.

The next four years look bright but challenging. Partnerships are needed and classes need to be restored. Chaffey College is a world class institution with a great future. I'm proud of what we have accomplished and ask for your vote of confidence on November 5th.

No candidate statements were filed.

- Family Matters
- Qualified and Highly Effective Workforce
- Efficiency and Accountability
- Community Engagement

I will collaboratively work toward preparing students with community values, appropriate education, and necessary skills to be responsible and contributing members of society as measured by the perception of students, parents, school staff, and community. This, in turn, will foster a multicultural community where education and lifelong learning is valued and supported, and all learners reach their highest potential and succeed in the global economy.

Please vote for me on Tuesday, November 5th, to enable me to work for the community.

NAME: BARBARA FLORES **AGE: 65**
OCCUPATION: University Professor

First and foremost, I would like to thank all of you who have supported me in my first term as your local school board member. I have strongly committed to reducing the high school dropout rate; supporting teachers, administrators, and our parents so our student can achieve academic success and pursue a great career choice or be prepared for higher education.

I have also worked with school board colleagues and our new superintendent in spearheading the strategic plan and creating effective collaborations with community organizations, area community colleges and universities, and other strategic partners that have begun to work diligently to bring additional resources to our school district!

I have been a life-long educator of over 30 years.

My overall experience makes me uniquely qualified for the position of school board member.

In this election, you have three choices: I ask that you please consider my professional educational background and history of education of serving our students.

I ask you to consider voting for me once again, so that I may continue to serve and give back to my community.

Our students deserve the very best. It's all about our kids.

Thank you and God bless.

Respectfully,

Dr. Barbara Flores

NAME: JUDI PENMAN
OCCUPATION: Incumbent

For the past ten years, I have served as your Trustee on the School Board. As the President/CEO of the San Bernardino Area Chamber of Commerce, I bring a business perspective to the Board's deliberations and decisions.

While proud of our district and the many opportunities we offer our students, I consistently seek improvement. The bullying issue still disgusts me and I will continue to speak out until we find a remedy.

I am not afraid to say what I feel is right, even if my vote is sometimes a lonely one.

I have been a strong advocate for a Career Vocational Academy. We do not have a CVA yet, but I am pleased there is now more focus on those students who will not be attending college to find their career path.

As a Board member, I was part of the team that chose our new superintendent. I find his accomplishments exciting. I want to remain with the board to assure the follow through of our Strategic Plan, to finish the improvements I helped initiate and to improve the quality of education for our children.

Please vote for Judi Penman for School Board Trustee.

I believe in the City of San Bernardino and will stand side by side with my fellow residents in restoring our city to a level that will bring forth safe streets, job growth, business retention, fiscal restraint and accountability. My years of community service and professional career have prepared me to take on the task of mayor. Learning from all positions (boots on the ground, mid level supervisor and Executive Director) has enabled me to understand the importance of teamwork, leadership and transparency.

Being of service to my fellow man is a trait that was instilled within me through the actions of my family. My mother was awarded the U.S. Air Force Volunteer of the year award. My father has served on various community service groups (Rotary Club, Chamber of Commerce and Developed the Bloomington Health Center). From their examples I have learned the value of service to others and take great pride as a volunteer or as part of my oath of office.

San Bernardino is the key to fixing the economy of the Inland Empire and to solving southern California's biggest problems.

Only by re-establishing San Bernardino as the big city of the region will we be able to add residents that have the skills and income necessary to bring high-paying jobs inland, to restore the tax base, and to help everyone realize her or his full potential. Doing so requires a comprehensive business plan and marketing strategy, and both are available at the Website.

As a second-generation native, I made the crazy decision to run for this office after concluding so few people have the knowledge and creativity needed to solve the giant puzzle that is San Bernardino, especially in this most trying time. I also knew that the current moment will determine the region's fate for the next fifty years, so we, as citizens, simply cannot get these first four wrong. Reversing the vicious cycle of socioeconomic segregation and urban disinvestment that led to the insolvency is going to require everyone work together. So, I ask that you join me in recognizing this need and opportunity so that we all can take part in building the new San Bernardino.

OCCUPATION: Fifth Ward Councilman

The City's Old Guard has failed San Bernardino! It is time for a New Generation of Leadership to rescue our community from bankruptcy, restore our city's economy and provide jobs for our families.

Neighborhood Values: I'm a former Neighborhood Association President who has built more new parks, trails and amenities for residents than any other councilmember.

When City Hall refused to provide money for a North San Bernardino community center, I obtained grant funding to get it built at no cost to city taxpayers. I will bring this same result-oriented leadership to our entire city as your new Mayor.

Creating Jobs: San Bernardino cannot cut our way to prosperity. We must rebuild our economic base. I have a detailed Economic Action Plan to generate new jobs, businesses and revenues. I will partner with Cal State San Bernardino to attract technology jobs.

I will work with our outstanding Police Officers and Firefighters to make San Bernardino safer and to protect taxpayers from excessive future debt.

I ask for your vote to take back our city from the panhandlers, gangs and homeless.

With younger, more innovative leadership, San Bernardino can be a safe and prosperous city once again. Please visit my website at www.ChasForMayor.com

NAME: RICK AVILA **AGE: 50**
OCCUPATION: General Engineering Contractor

My family has lived in San Bernardino for many generations and I know all too well the beauty and prosperity we once had. I have been involved in many civic activities, including many youth programs.

As your next Mayor, I will lead us out of bankruptcy by balancing the budget and creating resources that will increase much needed revenue. I believe we can achieve fiscal solvency without reducing police and fire services.

As the prime General Engineering Contractor for the Kendall Plaza project, I have employed 200 workers from the local area. Kendall Plaza is one of the largest retail and commercial projects in our City for decades. Our next Mayor should understand what it takes to attract development and new businesses. I have the ability to create local jobs that are financed by the private sector and not reliant on government subsidies.

I will be a "tough Mayor" who will make the "tough decisions" in order to save our City from its demise.

With your vote and support on Election Day, we can restore our City to a viable and prosperous community.

Together with my wife of 40 years, we raised our 4 children in San Bernardino and taught them to serve their families and their communities. I currently hold a leadership role in our local church and serve on our local Boy Scouts of America committee.

We need to work together with public and private resources to develop a community-wide plan to revive and upgrade city services to keep our community safe, clean, and responsive to daily as well as emergency needs. As your next mayor of San Bernardino, my leadership skills and education will enable me to work with the City Council to implement a sustainable budget and lead us forward to a more industrious and prosperous city.

NAME: H.W. NICKEL
OCCUPATION: Financial Analyst

As San Bernardino recovers from bankruptcy we need new independent leadership. For too long powerful unions and lobbyists influenced city government. We must now support community priorities over destructive special interests.

To accomplish this we must:
Practice good stewardship over city funds;
Provide safer neighborhoods and responsive local government;
Improve the quality and efficiency of city services;
Preserve home rule while correcting our city charter's flaws;
Resist special interest intimidation and coercion within city hall; and
Create an attractive climate for business and investment.

Thus, I support the creation of neighborhood advisory oversight committees nominated by residents rather than politicians. By increasing community engagement we bring accountability, transparency and new leadership to city administration. As mayor I will not seek reelection, avoiding negative political influence. Rather, I will remain committed, firm and fair. Together, we will build a better city.

I bring 18 years experience in local government, financial services, business, public health policy and transportation. I attended American University and obtained graduate education with honors from Cal State San Bernardino, majoring in economics, communication, law, government and national security. Born and raised here, I'm proud to call San Bernardino my hometown. I intend to remain so. Join me at www.demandaccountability.com.

I believe that improving our business climate by helping existing businesses and making San Bernardino inviting to new residents and businesses will grow our economy better than fees, fines, and taxes!

CANDIDATE(S) FOR CITY COUNCIL
CITY OF SAN BERNARDINO WARD 1

NAME: JOHN J. ABAD
OCCUPATION: Retired Teacher

B.A., University California Los Angeles (UCLA) Sociology;
M.A., California State University San Bernardino, Education & Counseling;
Retired History, Government, Economics Teacher & Coach, 35 years; Retired Stater Brothers & Teamsters Union Local 63; Founder/Chairman of Southern Pacific Amateur Athletic Union Wrestling Association; Inland Empire Community Coalition Vice-Chair; Realtor Ponce & Associates.

My Mission is to promote job growth and bring businesses to the City. I will work to resolve the fiscal decisions with the Police and Fireman's Unions. I believe the city-government must be accountable and transparent. The city is defunct and losing business, investors, and its tax base. Job creation, alternative transportation, affordable housing, youth and senior services is critical and a must. We must enhance the city-schools relationship to increase Vocational Careers in schools and stress green technology for a clean and safe community. We will return to beautiful and healthy Parks, Libraries, and Community. To regain trust, it is time to vote for new leaders. We as a unified voice will "Embrace the Change." I will work to make it happen.

NAME: CASEY DAILEY AGE: 32
OCCUPATION: Transportation Analyst

San Bernardino is broken, blind and bankrupt. For too long we have had City leaders that worried more about political "factions" and personal gain than what is best for the City and residents. Warning signs were ignored; vision was nowhere to be found. It's clear that San Bernardino needs leaders who will bring direction, knowledge and energy to City Hall.

I am running for the First Ward City Council seat to bring fresh, new ideas. My focus is on three main issues: reform, rebuild and revitalize. We must first reform City Hall to fix the systems and processes that have proved inefficient, such as our city charter and budgeting process. Second, we must rebuild the city by getting out of bankruptcy and making a plan of adjustment that will provide future financial stability. Finally, we must revitalize our community by identifying and creating new opportunities for growth.

This is a landmark election that must be a turning point for San Bernardino. It's time to throw out the old playbook. I pledge to represent my Ward with integrity, and I'll work productively to help bring us back to prosperity. I would be honored to have your vote on November 5th.

NAME: VIRGINIA MARQUEZ **AGE: 57**
OCCUPATION: Incumbent

We need jobs and our economy needs rebuilding. That was your mandate when I was elected First Ward Councilperson four years ago. I followed your mandate, and here is what I've helped accomplish:

- Thousands of construction jobs created to build the 215 Freeway, sbX transit system, airport facilities, downtown courthouse, distribution centers, senior housing complexes, downtown movie theater, and much more … all in the First Ward!
- Over a thousand permanent jobs created through new or expanded businesses such as the Amazon and Kohl's Fulfillment Centers, Regal Cinemas, In-N-Out Burgers, Ross Dress for Less, Cott Beverage, Arco Gas Station, and many more … all in the First Ward!

This new construction and jobs represent over $2 billion invested in our local economy!

But I am not satisfied. Our economy is still too fragile, and too many are still unemployed.

With your support, I will continue bringing businesses and jobs to the First Ward through projects like the downtown Transit Center, reconstruction of Waterman Gardens, redevelopment of Seccombe Lake, new development and business on the Mt. Vernon corridor, and much more.

I humbly ask for your vote so I can continue working aggressively to revitalize our neighborhoods in the First Ward.

CANDIDATE(S) FOR CITY COUNCIL
CITY OF SAN BERNARDINO WARD 2

NAME: BENITO J. BARRIOS **AGE: 38**
OCCUPATION: Small Business Owner

As a native resident of the City, I know that our City resources have declined and the cost of providing municipal services has increased to unsustainable levels. Regrettably, this has led us into bankruptcy and uncertainty as to whether we will be able to survive.

I have served our Country in the United States Marine Corps. In my 16 year career, the U.S.M.C. taught me that "tough times" take strong leadership to make the "tough decisions" necessary for survival. It is apparent to me that we need to have City Council members who are committed to making the hard decisions necessary in order to save our city, or we will not have a city!

As your next City Council Member, I will consider all feasible options to improve our quality of living without reducing the current levels public safety. I will be an independent vote who will represent the people. I will always consider the taxpayers first and foremost and make my decisions independent of outside influences.

With your support and vote on Election Day, together we can overcome adversity and once again become a prosperous and viable city.

NAME: ROBERT JENKINS **AGE: 33**
OCCUPATION: Teacher/Council Member

San Bernardino needs honest leadership to guide us through the difficult challenges our city is facing.

During my first two years as your 2nd Ward Council member, I have worked hard to provide representation that is open, responsive, accessible and respectful to all residents.

Community Service—I am a Special Education Teacher; a 4th-generation San Bernardino resident; and a local Neighborhood President—not a career politician.

Responsible Leadership—I am focused on solving our city's problems rather than pointing the finger of blame. Working with neighborhood leaders throughout the 2nd Ward, we improved Perris Hill Park; revitalized the Muscupiabe Neighborhood Association; cleaned up abandoned homes that were attracting criminals; and expedited the repair of street lights and sidewalks.

DMV Neighborhood leader Debbie Matley says: "Robert Jenkins is the best City Councilman that 2nd Ward residents have had in a very long time."

My priorities for the next four years include:
- Jobs—Reduce bureaucratic red tape to help San Bernardino attract quality jobs;
- Safety—Support stronger measures to combat panhandling and reduce crime;
- Security—Reform our city's financial practices to stop reckless spending and protect taxpayers from future debt.

I would be honored to earn your vote and continue serving our community.

CANDIDATE(S) FOR CITY COUNCIL
CITY OF SAN BERNARDINO WARD 4

NAME: FRED SHORETT
OCCUPATION: Businessman/Council Member

The main issue facing San Bernardino is moving beyond bankruptcy and returning our city to its greatness through economic growth. To achieve this, our City Council must make tough decisions and stand up to the Special Interests and Union Leaders to curb greed and reckless spending. My record proves I have the courage to make the tough decisions, achieve a balanced budget, and ensure fiscal solvency.

For the past four years I've been at the forefront, and at times the lone voice, supporting fiscal responsibility by stemming the ever increasing tide of unsustainable employee costs. I support our valuable employees. They are critical to ensuring the high quality services our residents and businesses deserve. As your elected representative I am also responsible for ensuring your tax dollars are used efficiently and effectively in maintaining and sustaining those high quality services for decades to come.

As your representative, I pledge to you the taxpayers of the 4th ward, I will support a recovery and long-term plan for San Bernardino that maintains high quality City services, fiscally sound government, and restores economic prosperity.

With your vote on Election Day we can save and rebuild our City for today and generations to come.

NAME: KATHY PINEGAR **AGE: 60**
OCCUPATION: Property Manager

We need new leadership at City Hall! I ask for your vote to take back our city from professional politicians.

Neighborhoods: As President of the Wildwood Neighborhood Association, I am dedicated to making San Bernardino a safe and prosperous community for all residents.

Jobs: As a Property Manager who is active with our local Business Association, I have the business experience to attract quality employers and jobs to our City.

Safety: As a Code Enforcement Volunteer and active member of Neighborhood Watch, I support our Police Officers. I will work closely with our Police Chief Robert Handy to drive gangs out of San Bernardino.

And I will vote against low income housing projects that bring more crime and panhandling to our community!

Accountability: You deserve a City Council representative who holds regular community meetings to listen to your concerns and share your ideas about improving San Bernardino. A City Council Member who will put your interests ahead of the special interests.

Please call me personally at 909-382-1456. Together, we can make San Bernardino an All-American City once again. Thank you for your consideration and your vote.

NAME: ANTHONY JONES
OCCUPATION: Business Owner

As a lifelong resident of San Bernardino, I am committed to building a new foundation for San Bernardino that our residents envision and deserve. We have an opportunity to set our city on the right path by supporting public safety, charting a path for prosperity in Ward 4, ensuring fiscal stability and bringing economic growth to our community.

I will focus on solutions for our Ward. We have a responsibility to our neighborhoods to provide clean and safe streets, improve code enforcement and bring back local businesses that will serve our local residents and keep retail taxes local. This will help stir the local economy, engage residents and show that San Bernardino is the "Valley of the cupped hand of God".

As a local business owner, I will bring financial stability by better governance to our city through collaboration and teamwork. It is time for new perspectives. I can help, but I need your vote. I ask for your vote, and the opportunity to begin the hard work that lays ahead. I promise to serve you with honesty, honor and integrity.

Please vote for Ron Clark.

NAME: CRAIG J. SCHNEIDER **AGE: 63**
OCCUPATION: College Vocational Instructor

I'm Craig Schneider and a candidate for Director of the Helendale Community Services District (HCSD). I have served as a Director since November 2006. I will continue to use my leadership, education and experience to serve you. I have 40 years experience in the golf and irrigation industry. I currently work as a Vocational Instructor for Victor Valley College. I have a Grade II Water Distribution License and A California Teaching Credential. I am a Director for the Helendale Chamber of Commerce. Water conservation is an ongoing goal of the HCSD and I support our Cash for Grass and all water conservation programs. HCSD aggressively seeks to buy water rights for the community and I will support purchasing additional water rights. These permanent water rights benefit our customers by keeping water rates low. The HCSD has a strong financial plan that I have approved through policy and oversight. The current 2013-2014 budget has $2,500,000 in cash reserves. A HCSD Board member is part of a dynamic team and I want to continue my leadership to this community. My goals for Helendale remain; Fiscal responsibility, water conservation, customer service and a great place to live.

NAME: TIMOTHY SMITH **AGE: 63**
OCCUPATION: Incumbent Director Helendale CSD

I am a lifelong resident of California. My wife and I moved to Helendale from Pomona in 2006 after raising our family. I retired from the commercial air conditioning trade in 2008. I enjoy the desert and the great outdoors. After my wife passed away 2010, I became interested in our local government. When a vacancy occurred on the CSD board, I applied and was appointed in January 2013. I believe in limited, local government. As I am currently the only board member that resides outside of Silver Lakes, I feel a responsibility to the entire community of Helendale. I would like to see slow, steady growth in the area. I do not believe that all problems can be solved by throwing money at them. Problems need to be solved with a joint effort of government and the local citizens. I would like to encourage more citizen participation in their local government. I will work to maintain the quality of our services, and the safety and security of the community. I would like to continue with the board being responsible in the manner your tax dollars are spent.

I ask for your support.

Please vote for Timothy Smith, Director

NAME: AL MORRISSETTE **AGE: 61**
OCCUPATION: Incumbent/Journalist

Since 1996, Al has been a Tri-Community rural lifestyle activist and civic leader appointed to the Pinon Hills MAC (1997-2004) and Zone-L Water Board (2004-2008). His insight helped to establish the Phelan Pinon Hills Community Services District as a local government and buffer from Victorville's encroachment: voter elected to the district's inaugural 2008 Board of Directors. In Al's first term, he supported water infrastructure improvements and spearheaded solar net metering: all at a cost savings of millions of dollars and providing fiscal soundness. He voted against the 6% water rate increase in this year's budget and for previous years 'zero' rate increases. As a journalist and Certified Grant Writer he has volunteered countless hours seeking grants and funding: personally saving the district costly consultant fees. He leads the way in establishing the district's relationships with companies, non-profits, all levels of government and our representatives. Al's ideas of community partnerships established the senior lunch program, Senior Health Fair, Family Movie Nights, outdoor stage, District Dollars, Kids Summer Crafts and other recreation activities. He wants to develop park infrastructure without assessing maintenance taxes. He is not a career politician.

NAME: MARK ROBERTS **AGE: 59**
OCCUPATION: Geologist/Hydrogeologist

I have been a resident of Phelan for the past 25 years. I have raised a family in the community sending my children through the Snowline school system, participating in numerous local activities including baseball, soccer, and science club.

My professional career consisted of working as a Geologist initially in oil and gas exploration. For the past 20 years as a Registered Geologist and Certified Hydrogeologist with the State of California, I have worked as a Consultant developing groundwater resources.

As a member of the Board of Directors for Phelan Pinon Hills Community Service District for the past 5 years, I have applied my knowledge and experience in groundwater geology and potable water systems to help form an efficient and cost effective District. I hope you will reelect me to the Board so that I may continue serving the community.

NAME: CATHY PACE **AGE: 61**
OCCUPATION: Self Employed

I'm Cathy Pace I have lived in the Phelan area for 26 years and served on the Snowline School Board, local property Owners Association, Zone L Water Board, Citizens Advisory Panel, and regularly attended the Municipal Advisory Council.

The PPHCSD was formed to provide open transparent management for our local water, street, lights, waste management service and parks. They are all important but I do not want to take our property tax money away from water and then pass water rate increases over the next 5 years.

I do not want hundreds of thousands of dollars on a new office complex that will eventually cost millions when we already have buildings that are large enough.

Most of us moved here because of the beauty of the Desert and I look at my own property as my park. Parks are fine but the main purpose of the CSD is serving quality water as inexpensively as possible. If you don't want an unnecessary 30% increase to your water rates; Please vote for Cathy Pace to help fight together.

NAME: CHARLIE JOHNSON
OCCUPATION: Incumbent

It has been my honor to serve the voters of our District for five years, selected President for two terms. I chair the Finance Committee, responsible for creating sound investment, budget, and financial reserve policies. Since taking over from the County we saved over $1 million the first year of operations. We continue to aggressively look for cost savings. Our district is fiscally strong with reserves for disasters, repairs, and improvements.

Our accomplishments include: rehabilitation of nine out of eleven wells; initiating a program to repair and maintain our thirty-four reservoirs; repairing all twenty-four booster stations; and replacing 6,800 water meters with accurate, efficient radio read meters. We acquired Meadowbrook Dairy's water rights saving up to $25 million over thirty years. We have improved parks and community centers, and acquired 135 acres earmarked for future parks. We partnered with community groups to add programs, like free movie nights and activity classes.

The current Board's progress is continuing proof that I can work with our team of Directors and staff for positive results, and save money.

Thanks for our continued support.

CANDIDATE(S) FOR DIRECTOR
CRESTLINE SANITATION DISTRICT

NAME: KEN NELSEN **AGE: 58**
OCCUPATION: Operations Manager, Retired

With the down turn in the local economy, the Board of Directors has to make difficult decisions of what is best for the Sanitation District, it's personnel and for the community. The community voted to take local control to provide the best service available. I am committed to providing the same level of excellence that has been given throughout the years.

I pledge to put the community first and foremost. I would like the community to be partners in decisions involving our future sanitation needs, and financial impact thereof.

I have lived in Crestline for over 39 years, raising my family and working here on the mountain. For the last 39 years I have worked in the water utility business as an Operations Manager. During that period I was involved in design, startup and operation of both water and wastewater treatment systems. I have a great respect for the men and women who protect our community environmental resources. I understand the need to make the best use of our present system and the issues associated with upgrading our sanitary facilities. I promise long term labor and energy costs will be well defined in the design process.

OCCUPATION: Incumbent

Although I have the support of many elected and community leaders I am blessed to have the confidence of voters like you. I work conscientiously to make sure that decisions consider the best interests of the 66,000 residents within the water district boundaries. The Board is working with staff to keep water rates at a reasonable cost without sacrificing water quality or infrastructure. Our customer service is tending to the needs of our new citizens whom we welcome and invite to tour our water facilities.

My experience as a Rialto school teacher, principal, school board member, water board member coupled with leadership roles at my local church enable me to ask the tough questions. My leadership skills on the Board in tandem with cohesive colleagues and a highly competent staff have resulted in a first-class water district.

A new 25 million dollar bio-remediation treatment plant and improved Baseline feeder system will provide reliable water resources. Solving the challenges of California's dwindling water reserves require experience, knowledge and integrity.

I would be honored to have your vote.

CITY OF SAN BERNARDINO RECALL
PROPOSED RECALL OF JAMES F. PENMAN
CITY ATTORNEY

STATEMENT OF REASONS FOR RECALL

Mr. Penman is the duly elected City Attorney, and as such is accountable for the actions of that office and of his subordinates. Mr. Penman has been derelict in his official duties by failing to properly enforce the law regarding personal use of public property by members of the Common Council. In addition, Mr. Penman's office's selective enforcement of City codes and his failure to timely update and codify city codes, ordinances, and other matters lawfully passed by the City Council has created confusion and insecurity in the City's residents and businesses regarding accuracy of the City's published law. Pursuant to Article VII, Section 122 of Charter of the City of San Bernardino, a copy of this notice and proof of service will be filed with the City Clerk of the City of San Bernardino. Within seven (7) days after this Notice is filed the officer sought to be recalled may file with the City Clerk an answer, in not more than 500 words, to the statement of the proponents. If an answer is filed, a copy of it must be served on one of the proponents, personally or by certified mail, within the same seven (7) day period, and if it is to be published, at the same time shall file with the City Clerk a statement declaring his/her intent that the answer be published. The answer shall have printed name, signature, and residence address of the officer to be recalled.

ANSWER TO STATEMENT OF REASONS FOR RECALL

Please Do Not Sign this Dishonest and Costly Recall petition. "The reasons being given for this proposed recall are deceptive, misleading and false. I have known City Attorney Jim Penman for over 46 years. He is an honest public servant; dedicated to the City of San Bernardino and the people who live here. Please do not believe these untrue accusations."- Judge Paul Bryant, Superior Court (ret.) SBHS (66); California State University San Bernardino (70). Recall Deception #1--The City Attorney has no legal authority to modify public property. That is the job of the Mayor and the City Council. Recall Deception #2-The City Clerk, not the·City Attorney, is responsible for keeping city ordinances up to date. Recall Deception #3-All Criminal Prosecutors, including the City Attorney, are selective in enforcing our laws. They only prosecute cases where they have the evidence to convict. This deceptive recall is being promoted by a small group of developers-mostly from out of town-who want to seize control of our city's government, our finances, and our water supply. They do not want a strong City Attorney to stop them. They want the same lack of oversight in our City government as that at the San Bernardino Airport, weak oversight which led to criminal indictments of contractors. The man who signed the paperwork for this recall is a longtime associate and business partner of convicted San Bernardino County corruption official Harry Mays and a close friend of ex-County Supervisor Jerry Eaves who provided him with a lucrative public contract. After a search warrant was served on this recall proponent, Eaves plead guilty to public corruption and resigned his office. "It would be a mistake to sign the petition to recall our City Attorney Jim Penman," Chief Benjamin Gonzales, San Bernardino Police Department (ret). Why do these developers want a recall election against the City Attorney who has nothing to do with the city's current financial plight? Is it because they want control of our City's multi-million dollar water supply and hope to achieve that by removing a proven public watch dog and electing their own hand-picked candidate as City Attorney? A recall election would be paid for by City taxpayers; many thousands of dollars -money that our city does not have; money needed for basic City services. It is an honor to serve the people of San Bernardino. Throughout my service as your City Attorney, I have successfully fought to protect our community from political corruption. During my tenure as your City Attorney, many allegations of suspected corruption have been investigated by my office; the guilty removed and convicted; honest officials were exonerated. Please join me in opposing this dishonest recall. It is being led and financed by developers who want the City Attorney to work for them, not for you.

My family has lived in the City of San Bernardino for over 100 years. I have lived and practiced law here for more than 30 years.

I have always worked for my community, volunteering as Library Trustee, as County EEOC Commissioner, and on boards of many charitable organizations.

I am not a politician. As your City Attorney, I will focus exclusively on protecting and defending our community and ensuring our leaders comply with the law. I have no tolerance for political fighting, special interests, or personal agendas.

San Bernardino has a tremendous opportunity to reverse its decline of the last two decades. I believe that City leadership, united in purpose and vision, is essential to a bright San Bernardino future. As City Attorney, I intend to play a vital role by helping bring together its many positive resources and residents. With Mayor, Council and City Attorney working cohesively, San Bernardino will return to its glory days. When my job is done, I will return to private practice.

OCCUPATION: Attorney/Small Business Owner

As City Attorney, I will provide the highest quality legal advice to the Mayor, Council, and department heads, free of politics and bias.

My experience in municipal law qualifies me to provide San Bernardino with legal advice free of political bias or lack of ethics. Our expenditures on outside attorneys, lawsuits and judgments have steadily increased. The result is fiscal insolvency and bankruptcy.

As City Attorney, I will review the budget and end excessive, wasteful expenditures on investigators, outside lawyers and salaries. The City Attorney should be a respected and trusted legal advisor and not a political ringleader.

A lifelong resident of San Bernardino, I attended public schools locally and attended UC Berkeley, graduating with highest honors then went on to receive my law degree at UC Hastings. I have practiced law in San Bernardino for 22 years, representing individuals, businesses and cities in court.

I have been active in the community, serving as President of downtown Rotary Club and currently serving on the Board of Habitat for Humanity.

We can rebuild our city through fiscal and ethical discipline. I ask for your vote to restore legal integrity to the City Attorney's office.

CITY OF SAN BERNARDINO RECALL
PROPOSED RECALL OF JOHN VALDIVIA
CITY COUNCIL MEMBER WARD 3

STATEMENT OF REASONS FOR RECALL

Council Member Valdivia was elected to office in November of 2011 and has since that time has failed to protect the health, safety, and welfare of the residents of the City of San Bernardino and demonstrated dereliction to the duties of his elected office by making fiscally irresponsible votes and by supporting fiscally irresponsible program leading to the misuse of the City's General Fund. Council Member Valdivia's actions and failures to act, have propelled the City of San Bernardino into financial crisis, and have led to the filing for protection under Chapter 9 of the federal bankruptcy laws by the City. The City of San Bernardino is currently the object of nation-wide ridicule as a result of the mishandling of the bankruptcy and its proceedings. Further, Council Member Valdivia has violated the public trust. He has failed repeatedly to reach consensus with the other members of the San Bernardino City Council on basic issues of City finances, and ignored advice of the City's Executive Staff for the previous two years regarding financial concerns. His actions have led to massive reductions in City services and police and fire personnel, causing an increase in crime rates, businesses leaving the City, and contributed to overall blight within the City. He has further violated the public trust by misusing City property in violation of the City's Code, abusing the power of his office as Council Member, and has been admonished by the City's Attorney for his abuse of power.

ANSWER TO STATEMENT OF REASONS FOR RECALL

Local residents urge you to OPPOSE this recall which will damage our city & cost local taxpayers hundreds of thousands of dollars. Councilman John Valdivia took office in March 2012 and had NO involvement in the years of financial mismanagement that drove San Bernardino into bankruptcy. Councilman Valdivia opposed the bankruptcy and consistently votes against wasteful city spending. "John Valdivia wasn't even a Councilman when city leaders made the bad decisions that bankrupted San Bernardino. The statements made by the recall proponent are dishonest and false."-Local business owner Gary Waibourne. John Valdivia has been a strong and effective voice for 3rd Ward residents during his first year as our City Councilman. Councilman Valdivia has provided 3rd Ward neighborhoods with a fairer share of city resources-including funding to clean up Lytle Creek Park & improve Colony Park; pave numerous streets: Rancho Avenue, Esperanza, Huff and Eureka Streets, along with Mt. Vernon Boulevard; and, repair numerous street lights throughout our neighborhoods. "Councilman Jon Valdivia Is a champion for 3rd Ward neighborhoods and mobllehome residents."- Mobilehome Park resident Deb Bunger. Councilman Valdivia is working to keep our local branch library open after politicians at City Hall tried to shut It down. Councilman Valdivia is leading the fight to crack down on panhandlers and maintain strong public safety services in the 3rd Ward and throughout San Bernardino. "We've never had a Councilman who has worked harder for local residents than John Valdivia." ··3rd Ward Fire Commissioner Juan Figueroa. Councilman Valdivia listens to people's concerns and takes action to solve neighborhood problems. He holds regular neighborhood meetings and actively calls 3rd Ward residents to hear our views. This recall is being promoted by Developers and Landlords who want to control our city's money, build more low income housing and raise rents on mobilehome park residents. "69% of 3rd Ward voters voted to elect John Valdivia as our Councilman. We can count on him to put our interests ahead of the special interests at City Hall."-Senior's Advocate Sandra Kurkoske. Don't let the Special Interests silence our voice on the City Council. Don't sign the recall petition.

Two years ago, you elected me as your new Councilman to fight for the concerns of our 3rd Ward Neighborhoods and that is exactly what I have done.

During the past 18 months, I focused like a laser beam on listening to local residents and addressing neighborhood concerns. Working together, we have made great strides for the 3rd Ward, including:

- Securing $300,000 to repave Mt. Vernon Avenue and Rancho Street;
- Cleaning up and improving the facilities at Lytle Creek Park;
- Creating 100 new local jobs by expanding the Amazon.com facility;

- Appointing Community Ambassadors at our mobilehome parks;
- Holding over two dozen community meetings with 3rd Ward residents.

I am honored to be your independent voice on the City Council. As the newest Councilmember, I am dedicated to protecting taxpayers from the past financial mismanagement at City Hall that caused San Bernardino's bankruptcy.

NAME: ROXANNE WILLIAMS **AGE: 43**
OCCUPATION: Teacher/Educator

San Bernardino needs leaders in City Hall willing to attack problems and find common sense solutions. I am a mother of five kids. Over the past several years, I've been a high school Chemistry teacher in SBCUSD, a college professor at San Bernardino Valley College, a graduate of Cal State San Bernardino trained in budgets and finance, and a community advocate. I've focused my entire professional career on tackling the tough issues and finding real solutions. I know that good jobs are a key to the strength of our community, so I organized a business summit, where we brought together over 100 leaders to build an economic vision for our city. I was concerned by the rise in crime in my community, so I organized several neighborhood watches to ensure our families feel safe and secure in their homes. I want to bring my solutions-focused approach to City Hall. As your City Council member, I will stop the reckless spending, fix City Hall's financial accounting, and go lead the fight to bring jobs and economic development back to San Bernardino. For fresh leadership and common sense solutions, vote to recall in Ward 3 and support Roxanne Williams.

CITY OF SAN BERNARDINO RECALL
PROPOSED RECALL OF WENDY J. MCCAMMACK
CITY COUNCIL MEMBER WARD 7

STATEMENT OF REASONS FOR RECALL

Council Member McCammack was elected to office in the year 2000 and has since that time has failed to protect the health, safety, and welfare of the residents of the City of San Bernardino and demonstrated dereliction to the duties of her elected office by making fiscally irresponsible votes and by supporting fiscally irresponsible program leading to the misuse of the City's General Fund. Council Member McCammack's actions and failures to act, have propelled the City of San Bernardino into financial crisis, and have led to the filing for protection under Chapter 9 of the federal bankruptcy laws by the City. The City of San Bernardino is currently the object of nation-wide ridicule as a result of the mishandling of the bankruptcy and its proceedings. Further, Council Member McCammack has violated the public trust by repeatedly failing to reach consensus with the other members of the San Bernardino City Council on basic issues of City finances, and ignored advice of the City's Executive Staff for the previous two years regarding financial concerns. Her actions have led to massive reductions in City services and police and fire personnel, causing an increase in crime rates, businesses leaving the City, and contributed to overall blight within the City.

ANSWER TO STATEMENT OF REASONS FOR RECALL

Do NOT sign this recall petition! Councilwoman Wendy McCammack is and always has been THE Independent Citizens' Watchdog exposing financial mismanagement taking place at City Hall. For years, Wendy was the only Councilmember who opposed excessive city spending and unbalanced budgets that led to San Bernardino's bankruptcy. That's why Your 7th Ward Neighbors OPPOSE the recall of your Councilwoman: "We will not support any effort to recall Wendy McCammack. We have lived in the 7th Ward for over 25 years and have closely followed and have closely followed Ms. McCammack's actions on the City Council. Anyone who has paid attention can easily see that she is often the ONLY one who appears to have read the material concerning City matters that appear before them. And, she's usually the only one who has the strength and knowledge to ask the hard questions and demand the answers. She's not at fault for the mess at City Hall."- Jim and Susan Kitchen "I cannot believe that Wendy McCammack would be considered for a recall. I was born in San Bernardino. Wendy has been our most active and responsible Councilmember. She has come to every Neighborhood watch meeting and will respond to any contact you make with her. She sends out code compliance on complaints, and follows through with all situations. I think she would be a good Mayor."- Retired Police Sergeant George Finkle "Wendy has consistently argued against wasteful spending, non-essential programs, fought against blight, parolees, panhandlers and homeless. She had the courage to vote against obscene salary packages paid to City officials. She is always accessible to solve any problems residents bring to her attention and her commitment to public safety is unparalleled." - Business Woman Sharon Gaitan-Blechinger. "We are grateful and appreciative for our Councilwoman. Mrs. McCammack came to our aid when the paramedics, fire department, and the home health agency, could not locate our home, because the street sign was obscured by an overgrown tree. Her resolve was quick and efficient." - Bill & Kathi Rainbolt "Wendy McCammack has a great love and affection for San Bernardino. Wendy is willing to stand up for her own opinion and make decisions that she sincerely feels are in the City's best interest. She is an independent person thinking for herself. As the City goes forward in these difficult times we need people willing to stand up and make difficult decisions, following through for what is in the best interest of the City. I feel that Councilmember McCammack is well qualified to make difficult decisions in conducting the City's business." --Phillip Kassel Developers and other special "outsider" interests are behind this recall and may want to make money by selling our water and build more low income housing. Don't let these Special Interests silence our voices at City Hall. Joing your 7th Ward Neighbors in Opposing the deceptive recall against our Councilwoman Wendy McCammack.

STATEMENT OF OFFICER

NAME: WENDY J. MCCAMMACK **AGE: 55**
OCCUPATION: Taxpayer Advocate/Businesswoman

Please Vote No on the Recall. For years, I've been your independent watchdog, not afraid to expose financial mismanagement. I believe this recall is about silencing elected officials who exposed 7+ years of wasteful spending. This deceptive recall was waged so that some people can gain control of a Council who will "go along just to get along". I won't be silenced by a recall threat, and will continue to do what is right for the taxpayer and not the "old guard". I've always spoken up and defended the taxpayers before cronyism.

I did not support: the $192,000,000 bus system, millions spent on the passenger-less airport, $10,000,000 to a for-profit downtown theater company, Operation Phoenix, and non-essential spending on parolees, homeless and panhandlers. For years, I have asked the Mayor to remove non-essentials from the budget.

Priorities must include restructuring finances through efficient spending, revenue stability and safety: Provide enough officers to keep San Bernardino safe from parolees, homeless, panhandlers and gangs, remove blighted low-income housing, repair/maintain streets, sidewalks, street lights. Maintain quality employees, accountable to residents. We can recover, stronger than before, as long as we spend your money wisely. Vote No on the Recall.

STATEMENT OF CANDIDATE(S) TO SUCCEED WENDY J. MCCAMMACK

NAME: NICK GONZALEZ **AGE: 60**
OCCUPATION: Retired Mayor's Assistant

As a candidate for the 7th Ward Council representative, my purpose is very simple: I would like to give the people back their government. It is imperative that the citizens of San Bernardino become more involved with our local politics. We have such an array of community assets, that with your help and/or activism, we can turn the quality of life issues facing our City into a very powerful and positive focus in restoring our neighborhoods and City. For too long, our City's elected officials have dictated what is good for us, and their actions have led us right into bankruptcy. As first a neighborhood activist and then a Mayor's Assistant/Community Liaison, I have dedicated my life to improving the quality of our City. During that time, we cleaned up our city and made it a source of pride through a variety of neighborhood focused actions. As your 7th Ward Council representative, I will personally be hands-on in our community, focused on improving our Ward while committing to bring new businesses to our City. On November 5th, vote yes for the recall and yes for Nick Gonzalez.

NAME: JOSHUA D. WILLIAMSON **AGE: 39**
OCCUPATION: Business Owner/Parent

I believe that the next elected leaders in San Bernardino need the necessary vision and courage to create policies that protect and uphold our values, quality of life, and strengthen our community.

As a councilman, I will work to bring greater independence, increased accountability and eliminate wasteful spending at City Hall.

If elected I will develop pro-growth policies that support local businesses and eliminate influences from special interest groups.

Together we can make San Bernardino a vibrant and prosperous community where we can be proud to live, work, and raise our families.

Thank you for your support!

Vote for Joshua Williamson!

NAME: MICHAEL "MIKE" THOMAS **AGE: 50**
OCCUPATION: Corporate Manager

Bankruptcy is not something that comes as a surprise. The leadership of San Bernardino sat by through several years of ignoring the signs that led us down a path to fiscal insolvency.

I am running for the Seventh Ward City Council seat because I am dismayed at the level of dysfunction and despair that exists in the City of San Bernardino. I purchased a home here and moved to the city shortly before the bankruptcy announcement, and I have seen first-hand the lack of vision and leadership in City Hall. I know we can do better and I am ready and willing to help.

I believe our city needs fresh faces, new ideas and positive attitudes. I bring experience as a successful business manager, and just as importantly, as an engaged father, husband and church leader which I believe qualifies me for this position. If elected, I pledge to make restoring the financial health of San Bernardino my top priority.

NAME: PAUL W. SANBORN **AGE: 70**
OCCUPATION: Fire Sprinkler Contractor

As a 48 year resident and business owner of the 7th ward I have a lifelong stake in this city. I know this ward. It saddens me to see the level of disrepair that our city is experiencing. As we emerge from bankruptcy, the choices we make electing our city leaders has never been more important. We have a chance to do it right this time. My knowledge, experience in business and passion for this city will encourage responsible leadership. The issues I see that need in immediate attention are;

- Demand fiscal responsibility and accountability.
- Quality of life issues: roads repaired, potholes, trees trimmed street lighting
- Safety, make sure the police and fire have the tools and manpower to effectively do their job.
- Vigorously encourage new business and support our local business owners

We must put San Bernardino on the right road to becoming a safe, visually appealing and prosperous city again. Together, we can say we are proud to live in San Bernardino again. I am asking for your help, your support and most important, your vote on November 5th.

NAME: JIM MULVIHILL **AGE: 69**
OCCUPATION: Retired Professor/Businessman

My top priority: maintaining quality police/fire and other city services while the city works its way out of bankruptcy. To do this we will increase city revenues by promoting business development and quality housing throughout the city. Establishing partnerships with public and private agencies will be essential to succeed in this. My professional background provides me the know-how to accomplish this. Make no mistake; this will not be an easy process. We must work together as a community to be successful.

I have worked and been active in our city since 1981:

- I am a retired university professor and businessman specializing in housing issues and economic development,
- I am a father; I raised my daughter as a single-parent in San Bernardino schools,
- I am a member of the parish council and lector at Our Lady of the Rosary Parish,
- I am a Veteran of the Vietnam War, honorably discharged as Sergeant (E-5) and recipient of the Bronze Star Medal,
- I am a Block Captain in the West 24th-25th Street Neighborhood Watch,
- I am a member and Past-President of: the Kiwanis Club of San Bernardino and the League of Women Voters, San Bernardino.

MEASURE B
CITY OF CHINO

IMPARTIAL ANALYSIS OF MEASURE B

This Impartial Analysis of Measure B has been prepared by the City Attorney pursuant to section 9280 of the California Elections Code.

On July 16, 2013, the Chino City Council adopted Resolution No. 2013-040, which submits Ordinance No. 2013-005 to the voters of the City of Chino, as Measure B.

The Measure provides as follows:

1. The two (2) parcels of land described in the Measure will be converted from commercial uses to residential uses. The parcels total 11.79 acres and are located east of Fern Avenue and south of Riverside Drive.
2. The Chino City Council will be authorized to re-zone the 6.48 acre parcel, and to re-zone the 5.31 acre parcel, both of which are depicted in the Diagram attached to the Ordinance, to Residential-RD8, for a maximum of 94 single-family dwelling units.
3. The owner of the parcels shall reimburse the City of Chino for the full cost to conduct the election for this Measure.

By way of history, you should know that:

(a) Measure M was a ballot measure adopted by Chino voters on November 8, 1988, which prohibits the Chino City Council from zoning non-residential lands for residential uses without voter approval.

(b) Measure M requires a majority of the voters of the City of Chino to authorize the City Council to rezone non-residential lands identified in a ballot measure.

Prepared by Jimmy L. Gutierrez, City Attorney

The above statement is an Impartial Analysis of Ordinance No. 2013-005, or Measure B. If you desire a copy of the ordinance or measure, please call the elections official's office at (909) 334-3306 and a copy will be mailed at no cost to you.

ARGUMENT IN FAVOR OF MEASURE B

This Argument in Favor of Measure B was submitted pursuant to Section 9282 of the California Elections Code. It is the opinion of the author(s), and has been printed exactly as submitted.

Measure B is a common sense zoning change that will enhance Chino's quality of life by replacing an empty commercial lot with desirable single-family homes that complement the surrounding residential neighborhoods.

Our City Council voted UNANIMOUSLY in support of this Measure.

Here are just a few reasons why we are asking you to vote YES on Measure B:

PROTECTS OUR NEIGHBORHOODS—Measure B will preserve the family-friendly lifestyle for residents in surrounding neighborhoods by ensuring that single family homes—instead of large office buildings—are built on this 11-acre parcel of land.

HELPS OUR SCHOOLS—The Chino School District is currently suffering from a decline in student enrollment. By converting vacant commercial land to new homes, Measure B will provide needed students—and additional state funding—for our Chino schools.

REDUCES TRAFFIC—A large commercial development would generate far more traffic than a residential neighborhood. If approved, Measure B will reduce future traffic at this property location by over 80%.

Voting YES on Measure B will provide new housing for young Chino families while protecting the integrity of existing neighborhoods from unsightly commercial development.

Voting YES on Measure B supports smart land use planning that benefits our schools, our neighborhoods and our entire community.

Please join us in voting YES on MEASURE B.

s/ Dennis R. Yates, Mayor, City of Chino
s/ Sylvia Orozco, School Board Trustee

ARGUMENT AGAINST MEASURE B

No Argument Against Measure B was filed.

MEASURE C
CITY OF GRAND TERRACE

IMPARTIAL ANALYSIS OF MEASURE C

This Impartial Analysis of Measure C has been prepared by the City Elections Official pursuant to section 9280 of the California Elections Code.

The City Council received a financial report that provided a five-year projection analysis of the City's financial position. Due to the loss of redevelopment funding, the report projected that the City would need to severely cut municipal services in order to budget within the projected revenues over the next five years. On June 25, 2013, the Grand Terrace City Council adopted a budget for fiscal year 2013-2014. In order to balance the budget the City Council adopted a budget that included a number of reductions in the current levels of city services, which were itemized in the budget. The law enforcement agreement with the Sheriff's Department was reduced by one deputy for the full fiscal year. In addition, the budget and budget resolution provide that if a tax measure is not passed in November the following additional reductions will be instituted: the elimination of an additional Sheriff's Deputy commencing December 1, 2013; and commencing on January 1, 2014 the funding for the Senior Center will be eliminated; Rollins and Pico Parks will be closed; there will be a 50% reduction in emergency operations oversight funding; a reduction in both the City Attorney and Finance consultant contracts; a reduction in city administration personnel-related expenses by $266,000 (the current employee level in City Hall is 12.5 positions); a 50% reduction in Historical and Cultural Activities Committee funding; Council and Oversight Board meetings will be reduced to one per month; and the Planning Commission will be disbanded. The five-year projection indicated that further reductions would be necessary in the following fiscal years.

If Measure C is approved by a simple majority of the voters voting on the measure, a utility users' tax will be established at the rate of 5% on the amount customers within the City pay for water, telecommunications, electricity, gas, video, refuse collection and sewer. The levy of the tax will commence upon the City Council's declaration of the election results and will expire six (6) years later. The revenue the City receives annually from the utility users' tax will go into the general fund and will be used to pay a portion of the costs of the City's ongoing normal operations and services. The revenue from the proposed tax, if adopted, is projected to be sufficient to eliminate the need to proceed with the aforementioned reduction of services and it is projected that the City Council will have the financial resources necessary to maintain municipal services at the current level and will restore the Sheriff's Deputy position that was eliminated.

If Measure C does not receive approval from a majority of the voters voting on it, the utility customers in Grand Terrace will not be assessed a 5% tax on their utilities and the aforementioned reductions in services for the fiscal year 2013-2014 will be implemented. In addition, it is projected that the City will need to implement additional cuts in the following fiscal years to balance future budgets, the particulars of which are not known at this time.

Prepared by,
Tracey R Martinez, City Clerk/Elections Official
Grand Terrace

The above statement is an Impartial Analysis of Ordinance or Measure C. If you desire a copy of the ordinance or measure, please call the elections official's office at 909 430-2230 and a copy will be mailed at no cost to you.

ARGUMENT IN FAVOR OF MEASURE C

This Argument in Favor of Measure C was submitted pursuant to Section 9282 of the California Elections Code. It is the opinion of the author(s), and has been printed exactly as submitted.

Make no mistake, without Measure C, Grand Terrace will have no choice but to cease providing services to residents, including quick responses to 911 police calls and emergencies. Parks will be closed, forcing children's sports teams to travel outside of the area; local roads will not be adequately repaired; and residents and businesses may need to go to San Bernardino County offices to get permits and other services.

Without passage of Measure C it will be difficult for Grand Terrace to provide services as an independent city and in time Grand Terrace could be annexed by Colton.

Like many small cities in California, the City of Grand Terrace has historically depended on State-provided redevelopment funds to pay for important programs and services. When the State dissolved all local redevelopment agencies in 2012, Grand Terrace lost the funding it needs to provide basic city services to local residents.

Over the past three years, the City of Grand Terrace has made severe cuts to staff and services in order to reduce its expenses. The City has eliminated nearly 60% of its city hall employees, cut pay by 10% for the few employees who remain, and reduced benefits.

Measure C has been placed on the ballot after a citizens committee studied city finances and unanimously recommended a utility user tax to provide funds to keep basic city services. Senior citizens may be eligible for an exemption.

All money raised by this measure will be used to maintain the quality of services in our community. It cannot be taken away by the State or be used for other purposes.

By keeping our city safe, clean and well maintained, this measure will help protect Grand Terrace property values.

Measure C requires a citizens' oversight committee and independent audits to ensure that money is spent locally in our community.

Please vote yes to Save Grand Terrace.

REBUTTAL TO ARGUMENT IN FAVOR OF MEASURE C

Same old scare tactics. That's all they know!
Mayor Stanckiewitz and Councilman Sandoval keep pushing the Colton panic button to ensure their 2014 re-election. Total lack of leadership!

- The voters must vote and tax themselves to unincorporate and payoff our debt.
- Parks represents only 3.5% of the City's budget.
- RDA loss was only $738K.
- Your Kids cell phones too??!! Really?
- Most of the tax will go to the unfunded pensions for past, current and FUTURE employees.
- This tax "maintains" staff's fat salaries, pensions and benefits.
- The city manager gets more than $200,000.
- There is no solid plan to reduce City dependence on the tax.
- In 1999 we stopped their attempt to tax our utilities by an overwhelming 77%. We survived! We can do it again!
- HOA dues and Apartment rents will increase.
- Businesses will be charged thousands of dollars more a month, most will be forced to close or raise prices.
- Seniors will only get discounts if they apply and are below poverty level.

This is our golden opportunity to fix our city. The ONLY Choice!
Go to **www.youtube.com.** Type in **"Sandy Springs Georgia Tax"**. A 90,000+ population contract city, has only 5 employees and NO PENSIONS! NO UNFUNDED LIABILITIES!
They solved their financial problems. Other cities across the country are doing the same. WE CAN TOO! VOTE NO!
If this fails, you will win! The city will become a contract city and business friendly once again.

ARGUMENT AGAINST MEASURE C

This Argument Against Measure C was submitted pursuant to Section 9282 of the California Elections Code. It is the opinion of the author(s), and has been printed exactly as submitted.

Vote "NO" on Measure "C". Measure "C" is a multi-million dollar swindle being perpetrated on the citizens of Grand Terrace.

- The Budget Advisory Committee voted to remain an incorporated City. The City Council has repeatedly stated that they want to remain an independent City even if the tax fails.
- The Utility Tax will suck up $2,572,000.00 more than the $738,000.00 annual loss of Redevelopment money?!?.
- A big chunk will go towards retirement debt for past and present employees.
- Utility companies are already raising rates. The tax will just make things worse!
- Senior citizens must be below poverty level and qualify through H.U.D., the county, and the City.

Don't be deceived by scare tactics!

- Don't touch our Sheriff protection!
- Shame on the City Council for closing our parks. How can Council and Staff expect us to keep funding their benefits, retirement and salaries?
- Shame on the Council for deserting the Seniors when it means less than ¾ of one percent of the City's budget!

Grand Terrace was originally a contract city with a modest budget. We need less bureaucracy, not more. Our city must return to being a contract city!

- It's a tax on every utility use – power, phone, cell phone, data, T.V., natural gas, water, sewer and trash that the Council and Staff claim will cost the average household $20.60? Add it up. Who are they kidding?
- Rents will increase.
- Businesses will pay more money a month and pass the cost on to you.
- How many businesses will be forced out? We already have enough vacancies!
- What happens when the tax runs out in 6 years?

Stop the Bleeding and vote "NO".

REBUTTAL TO ARGUMENT AGAINST MEASURE C

This Rebuttal to Argument Against Measure C was submitted pursuant to Section 9285 of the California Elections Code. It is the opinion of the author(s), and has been printed exactly as submitted.

The opponents of Measure C deliberately mislead voters with incorrect information. Here is the truth.

This is not about pension plans, employee benefits or increasing bureaucracy.

Measure C simply provides emergency revenue to allow the City to continue providing services as an independent city. Without Measure C, Grand Terrace will not be able to provide basic services to the residents of the community. This is a fact.

The largest portion of the City's budget pays for public safety. Without this emergency source of revenue, the City will have no choice but to cease providing services to residents, including quick responses to 911 police calls and other critical services.

Since 2008, successive Grand Terrace City Councils have made severe cuts to the City's budget because of the economic downturn. The cuts have included:

- Elimination of nearly 60% of city hall staff
- 10% reduction in staff pay
- Reduction in public safety including traffic and patrol deputies, sheriff's service specialist and crossing guards

Without Measure C, further cuts will be made across the entire budget. All of the services that citizens have come to expect will need to be reduced or eliminated including services that the City contracts with outside sources to provide - public safety, engineering, parks maintenance, building and street repair.

All Measure C funds will be used locally to benefit City of Grand Terrace citizens.

Measure C requires a citizens' oversight committee and independent audits to ensure that money is spent properly.

Vote YES on Measure C.
