ARGUMENT IN FAVOR OF MEASURE X

VOTE YES ON MEASURE X, which is a local initiative put forward by our friends and neighbors, written in cooperation and in collaboration with the Town of Yucca Valley.

Measure X is good for our community because:

**Prohibition doesn't work and is just plain un-American.** Local prohibition of medical cannabis denies valuable relief to our friends in need and creates scofflaws out of otherwise law-abiding citizens. **Without the protections provided by this measure our town will continue to be supplied by a black market, run by criminals, with no regulation and no tax benefits to the community.**

**Medical cannabis is already legal for patients with a doctor's recommendation.** Voters decided in 1996 that the use of medical cannabis is legal in the State of California for patients with a recommendation from a medical doctor. Measure X reaffirms these rights for patients in the Town of Yucca Valley and provides important protections for our neighborhoods and children, requiring that cannabis be tightly controlled and provided only through a registered and approved patient association, in accordance with all applicable laws and regulations.

**Measure X has town resident, community, and business owner support.** Yucca Valley residents support Measure X because regulated medical cannabis patient associations have a good track record in Yucca Valley. **A clinic in Yucca Valley operated for three years without a single untoward incident.** The majority of patients were senior citizens with genuine medical needs.

Educators, business owners, and residents across the town of yucca valley strongly support this measure because it provides vital protections for our community. For these reasons we ask you:

Please join us in VOTING YES ON MEASURE X.
