ARGUMENT IN FAVOR OF MEASURE Y

Vote YES on Y to improve safety and repair our streets. More and more gang members are coming into Yucca Valley from other communities to commit crimes. More and more parolees and sex offenders are being released early from state prisons. And Yucca Valley's streets continue to deteriorate.

Yes on Y repairs Yucca Valley's deteriorating streets now, before they deteriorate further and become more costly to fix in the future.

STATE TAKEAWAYS of local funds and unfunded **STATE MANDATES**—*like requiring Yucca Valley to track more parolees without any additional funding*—have impacted our community's safety, economy, and property values – vote **YES on Y**.

YES on Y gives Yucca Valley local control over local funds, for our local public safety needs.

- **YES on Y** puts more police officers on the streets
- **YES on Y** ensures rapid response times for fires and emergencies
- **YES on Y** repairs our streets and potholes
- **YES on Y** funds anti-drug and gang teams
- **YES on Y** improves tracking of parolees and sex offenders
- **YES on Y** supports fire protection services

Measure Z, also on your ballot, is a separate measure specifically dedicated to saving taxpayers money on the sewer assessments, while maintaining a safe, clean reliable water supply for Yucca Valley – vote **YES on both Y and Z!**

YES on Y and Z includes **TOUGH ACCOUNTABILITY** and **TAXPAYER SAFEGUARDS** including independent annual audits and a citizen's oversight committee to monitor funds. **YES on Y and Z** funds stay local and cannot be taken by the state.
