

PROPONENT REBUTTAL FOR MEASURE D

We must face reality. Like many residents statewide, the working class, the middle class, and seniors in San Bernardino County are finding it harder to make ends meet. Measure D will help protect them.

Measure D will prevent politicians from raising their own salaries and abusing precious county resources, and it will ensure that tax increases cannot occur without true consensus by requiring the vote of 4 out of 5 County Supervisors AND a vote of the people.

Our economy is shaky, and our neighbors are worried. While the federal government provided stimulus funds during the recession of 2008 and during the economic downturn caused by COVID, we can't count on federal help this time around.

Measure D sends a strong message that the government must be effective and maintain services but do so without additional burdens on residents.

With Measure D in law, we will find better solutions to our challenges, empower voters to have a stronger voice, and move San Bernardino County in the right direction for our future and our children's future.

VOTE YES ON MEASURE D.

San Bernardino County Democratic Central Committee

Phillip Cothran, Chair
