

**Rialto Unified School District**  
**Argument in Favor of Measure A**

Rialto Students need YES on Measure A to keep our classrooms safe and healthy!

In these challenging times, keeping our students safe while they are in school is a top priority. But many schools in the Rialto Unified School District were built over fifty years ago and are in urgent need of basic repairs. They have outdated security and safety features, from aging smoke alarms and fire safety to inadequate safety lighting, fencing, and emergency communications systems.

**YES on Measure A** upgrades campus security so that we can keep intruders out and our teachers and children safe.

YES on Measure A removes asbestos, lead paint and mold

YES on Measure A replaces leaking roofs, decaying walls, broken plumbing and bathrooms

YES on Measure A upgrades electrical systems and wiring for computer technology

YES on Measure A installs new windows and proper insulation

YES on Measure A improves student health and safety at all of our schools

All four of our local high schools - Carter, Eisenhower, Rialto and Milor High – need significant upgrades.

YES on Measure A removes dozens of outdated, deteriorating portable classrooms and upgrades science and engineering labs.

By fixing outdated electrical wiring, improving science, engineering and computer instruction and enhancing Internet access Measure Measure A **helps Rialto schools provide competitive, 21<sup>st</sup> Century learning at every single school.**

Measure A fiscal accountability:

Creates an Independent Citizens Oversight Committee

Annual audits

Public disclosure of all spending

No funds for administrators' salaries or benefits

By law, all Measure A funds must be used for Rialto schools and cannot be taken by the State

Join parents, teachers, students and community leaders in voting YES on A.

Miesha Calloway, President of Rialto Teachers

Chris Cordasco, President of Classified Employee Association

Albert Calderon, Local Business Leader

Kenya Grey, Parent/Community Leader

Owen Knapper, Class of 2022 Graduate and Class President (Carter High School)
