

Rebuttal To Argument
In Favor Of Measure L

VOTE NO on Measure L!

Residents cannot afford to have a new sales tax increase imposed by the City!

We both have witnessed while serving as your City Councilmember and as your City Treasurer serious municipal mismanagement in Upland.

The 2020 Grand Jury Report documented how the City interfered with my duties and responsibilities as your City Treasurer. I resigned. The Grand Jury Report documented serious problems and noted "The San Bernardino County Civil Grand Jury is aware that there potentially may be criminal activity associated with these actions that are not within the jurisdiction of the Civil Grand Jury." Interestingly, no criminal actions were filed.

Mismanagement should not be rewarded by raising sales taxes! The new City Manager and City Council should conduct community meetings to discuss the prior Resident Taskforce recommendations to significantly reduce costs while maintaining good service levels.

One of the cost saving options recommended by the Resident Taskforce was outsourcing the Police Department to the County Sheriff. There is a potential \$10 MILLION ANNUAL savings opportunity. This City Council must allow an open, honest and transparent discussion of this cost saving opportunity.

Our neighbors in Rancho Cucamonga and Chino Hills use the County Sheriff police services and are two of the safest City's in California. Upland's transition from having its own Fire Department transferred to County Fire was a seamless transition to residents.

You deserve to know about a \$10 MILLION cost savings opportunity before allowing the City to increase the sales tax. VOTE NO!
