NOVEMBER 5, 2024, GENERAL ELECTION School District Appointments in Lieu of Election

Not all contests on the **Offices Up For Election** list appeared on the ballot. In the case of governing board members of a school district to be elected, if the number of persons who filed a declaration of candidacy did not exceed the number of governing board members up for election, each person filing a declaration of candidacy will be appointed in lieu of election. For school district offices where no person filed a declaration of candidacy, the district's Governing Board appoints a qualified person to fill that office. Persons appointed in lieu of election begin their terms and serve as if they were elected by the voters of the district.

The following candidates are appointed in lieu of election.
